

No Mention Yet Of Spy Rings Under Roosevelt

By JAMES MARLOW
WASHINGTON (AP)—Atty. Gen. Brownell, whatever his reason, skipped over the Roosevelt administration when he accused former President Truman of being lax with Communists.

Question Unanswered

This glossing over of the Roosevelt period raises questions which may have to be answered before the sensational case of Harry Dexter White fades from the news.

For example: Did Roosevelt ever know, or was he ever told, about a spy ring in government in his administration? If so, who told him? How did he handle it? Any differently from Truman?

White went to work for the government in 1934. Whittaker Chambers says White was in a Soviet spy ring in the mid-1930s. Elizabeth Bentley says he was still spying in the last years of Roosevelt's administration.

Perhaps in aiming so hard at Truman, Brownell figured he could start the ball rolling and then let the Senate's subcommittee on internal security, which is investigating subversion, pick up the ball and run with it.

Blame On Truman

This subcommittee can hardly consider its work complete without tracking the alleged spies back to Roosevelt's days and learning whatever was then known or done about them.

Truman, always loyal to Roosevelt and his memory, could have tried in his talk to the nation to take some of the heat off himself by saying he had merely inherited any spy ring that existed.

Instead, he took full responsibility himself for what was or wasn't done.

Hoover, brought into the dispute, spoke only for warnings sent by the FBI to the White House in Truman's days.

Five Found Dead In Plane Wreck

NEW YORK (AP)—Five persons were found dead today aboard a small private passenger plane that crashed in the fog during the night at LaGuardia Airport.

The crash occurred near the northwest corner of the big field and the wreckage was not discovered until about 8 a. m. (CST).

The dead were two men, a woman and her two small children. Police said the plane was believed to be a Piper pacer that was reported missing late Sunday on a short flight between two towns on Long Island—East Hampton, about 100 miles from here, and Babylon, 40 miles away.

Airport authorities listed the dead as:

Alfred LaBorde, pilot, of New York City.

Mrs. William Niffim and her two children, William Jr., and Corina.

William Beckett.

LaGuardia authorities said the plane was listed as the property of J. P. Bend, manager of an airport near Washington, D. C., where it was rented recently.

Construction men enroute to work found the wreckage in a drainage ditch. The engine had been pushed into the cabin of the plane.

Weather

Reported by U. S. Weather Bureau

UPPER MICHIGAN: Cloudy with light snow possibly mixed with sleet tonight. Tuesday mostly cloudy, snow flurries East in the morning. Little change in temperature.

ESCANABA AND VICINITY: Cloudy with light snow possibly mixed with sleet tonight. Little change in temperature. Low tonight 30°. Tuesday mostly cloudy with snow flurries in the morning. High 40°. Southwesterly winds 12 to 18 MPH tonight. Northwesterly winds 15 to 20 MPH Tuesday.

Virginia Home Folks Welcome Gk, 23, Who Gave Up Communism

By DON WHITEHEAD

CRACKER'S NECK, Va. (AP)—Cpl. Ed Dickenson was tired and happy today after a homecoming celebration that continued into the wee hours and swept away any doubts he might have had about how his people would welcome him.

There was a forgive-and-forget air around the little hillside cabin where his family and friends greeted him with a warm affection which bewildered even young Dickenson. He could only grin when asked how he felt about it.

May Not Re-enlist

He planned to sleep, eat the home-cooked dishes he likes best, and map his future that has been fuzzy ever since he decided he preferred life in his homeland to life among the Communists.

Dickenson was one of 23 American soldiers who were listed as having refused repatriation in the exchange of prisoners in Korea. But then he left the other 22 and bolted to freedom a month ago, saying he hadn't acted sooner because of death threats.

Dickenson, 23, has said he would re-enlist in the Army after his present 30-day furlough. But Sunday night he hinted he might stay in the hills he left three years ago to enter the Army. "I've got a lot of thinking to do about it," he said. A neighbor commented: "When he sees how we feel, I think he'll stay."

His 73-year-old father, Van Buren Dickenson, said: "I'm going to knock it out of him, his going back into the Army. We need him at home and I don't think it would be right for him to leave again."

Embrasses and Kisses

Dickenson ended his 10,000-mile journey from a Korean prison camp Sunday night and walked straight into a rousing, almost hysterical welcome from brothers, sisters, in-laws and friends who had trudged up the hillside to the family home.

He stepped from a car into a pouring rain after an automobile trip from Washington. Men, women and children streamed out to meet him.

William Beckett.

LaGuardia authorities said the plane was listed as the property of J. P. Bend, manager of an airport near Washington, D. C., where it was rented recently.

Construction men enroute to work found the wreckage in a drainage ditch. The engine had been pushed into the cabin of the plane.

3 Accidents In Area Sunday

Three minor traffic accidents were investigated Sunday by the Michigan State Police of the Gladstone Post.

Sunday morning about 2:10 in front of the Terrace Gardens, cars driven by Robert Bosk of 306 N. 14th St. and Eleanor E. Stone of 218 N. 18th St. backed out into the road from opposite sides of the street and collided. State police gave no tickets.

David Eldred, 320 S. 18th St., paused to wait for oncoming traffic before turning off US-241 across traffic onto Co. Rd. 426 (in front of the Buck Inn) Sunday afternoon about 5:20. He told state police his signal light was blinking.

George D. Cummings, Gladstone Rte. 1, hit Eldred's car in the back. Cummings told state police he didn't see the signal light. Troopers ticketed him for excessive speed.

In a one-car accident Sunday night about 8:20 by the intersection of US-241 and the old Wells Road, Donald Paulin of 224 N. 20th St., going north on the main highway, lost control of his car on the slippery road and his car landed on its top.

Neither Paulin nor Norman Trekas of Gladstone, a passenger, was hurt. State Police gave no tickets.

Charge Garden Men Opposed Officers; Bond Set At \$500

A charge they obstructed and opposed conservation officers in the performance of their duty, a circuit court misdemeanor, will bring two Garden village men into Justice Henry Ranguette's court for examination early this week.

Edward Guertin Sr. and Royal Tallman demanded examination when they appeared in Justice Ranguette's court Saturday. Bond was set at \$500 each. They will be arraigned following the return to Escanaba of Prosecutor Nicholas P. Chapekis who has been out of the city.

The men were arrested Friday at 10:30 p. m. in Fairbanks Township by Conservation Officers Hugh Fisher and Raymond Roberts.

After hearing a shot and seeing a light flash the officers chased a light truck for about one mile before the truck halted, they reported. Following the chase the conservation officers' car was rammed by the truck, the officers said.

The arrest was made about six miles south of Garden on County Road 483.

Repeat Violator's Fines Total \$75 Within Two Days

Wayne Sundaleius, 44, of N. 14th St., Gladstone, within two days was arrested twice and pleaded guilty twice to violation of the game laws, with the courts assessing fines and costs totaling over \$90.

Saturday Sundaleius pleaded guilty to a charge of headlighting deer on arraignment in Justice Thomas J. Walters court in Munising and paid a fine of \$50 and costs. He was arrested east of Trenary at 1:30 a. m. Saturday by Conservation Officers Willard St. Onge and Robert Shiner of Chatham.

The day before, at 1:30 a. m. on Federal Forest Highway 13, Sundaleius was arrested by Conservation Officers Hugh Fisher and Ray Roberts on a similar charge. For that offense he paid a fine of \$25 and costs of \$9.35.

Following his second arrest Saturday the Conservation Department began condemnation proceedings to confiscate his rifle.

TOWNS WANT POLICE

ST. JOHNS, Ariz. (AP)—There's no police force in St. Johns, nor in neighboring Springerville and Eagar, and town officials are incensed about it.

They plan to meet here with Apache County officials to talk over ways to set up the law departments.

MOTORISTS got their first taste of winter driving Sunday. Scenes like this were general throughout the city. The snowfall was several inches deep but it was melting fast at noon today. (Daily Press Photo)

South Americans Cold To U. S. Warm-Up Of Peron

By DREW PEARSON

WASHINGTON — In the four months following Dr. Milton Eisenhower's whirlwind South American junket, Pan-American relations have slipped to their lowest point since U. S. Marines occupied Nicaragua, 20 years ago. And U. S. diplomats report that things are still on the downgrade all along the one-time "good neighbor" front.

This is no personal reflection on the President's affable, scholarly brother, who sincerely did his best to learn something about the complex and varied problems of ten countries in five weeks. Yet one phase of that tour did contribute importantly to subsequent bitterness south of the border.

Although newspaper and magazine stories played up the fact that Buenos Aires was included in the doctor's itinerary only at the last minute and with "reluctance," nevertheless citizens of other republics were surprised to observe his eager chumminess with Dictator Peron.

The Cynical View
Moreover, U. S.-Argentine relations since then seem to get more official attention than that paid to other countries.

Latin Americans have remarked, perhaps a bit cynically, that Washington seems painfully anxious for a kind word from the man who has done more than anyone outside the Kremlin to foster anti-American sentiment. And taking into account the events which came just before this new try at U. S.-Argentine rapprochement, the rest of South America couldn't be blamed if they never accepted another high-minded U. S. pronouncement at face value.

Stated very simply, it looks to everyone else in the hemisphere as if our State Department went panting after the glib Gauchos' friendship this time because he signed a trade pact with Soviet Russia. In consequence, half a dozen other Latin republics have now announced that they, too, would start doing business behind the Iron Curtain.

Pan-American Conference
Another kind of discontent with U. S. policies and leadership has cropped up in Central America, where the new Costa Rican regime of dynamic, liberal "Pepé" Figueres proposed to neighboring governments that they all stay away from the next Pan-American conference, scheduled for April 1954, in Caracas.

Figueres, educated at MIT in Boston and a staunch friend of the United States, is deeply displeased at the idea of holding such a conclave under the dictatorship of Venezuela where all civil liberties have been abolished, opposition parties outlawed or taken over, and the jails are crammed with political prisoners. He thinks the United States should insist that Venezuelan strong man Perez Jimenez institute reforms before the conference is held there.

Since the State Department has turned a deaf ear to such suggestions, Costa Rica's president is now trying to organize a boycott. It is probably that Guatemala will support the idea, and perhaps El Salvador and Panama. If even two governments declined invitations to the meeting, it would be the gravest blow to western hemisphere solidarity.

Obituary

JAMES A. WIGAND

Funeral services for James A. Wigand were held at 9 a. m. today at St. Anthony's Church in Wells with the Rev. Gerard LaMothe offering the funeral mass. Burial was in Gardens of Rest Cemetery. Pallbearers were Kenneth and Ronald Wigand, Bernard and Robert Seidl, George Frappier and Joseph Berube Jr.

MRS. EDWARD JOHNSON

Funeral services for Mrs. Edward Johnson of Rock were held today at 9 a. m. at St. Joseph's Church, Perkins, with Rev. Charles Daniel officiating. Burial was made in Rock Cemetery.

Pallbearers were Clarence Larson, Dona and Fred LeClaire, Francis Trombley, John Kleiber and Steve Rabideau.

Out-of-town people attending the services were Mrs. Emerson Brow of Gladstone and Mr. and Mrs. Ivan Hammerberg of Wisconsin.

MRS. LAURA PICARD

Funeral services for Mrs. Laura Picard were held at 9 a. m. today at St. Anne's Church with Father Clifford Nadeau offering the requiem high mass. Burial was in Holy Cross Cemetery.

Members of Delta County Chapter, American Gold Star Mothers, conducted their ritual at the cemetery with Mrs. John McMartin, leader, and Mrs. Edna McCarthy, chaplain. Also participating were Mrs. William Ram-speak, Mrs. Thomas L. Powers, Mrs. Elmer Bessonen, Mrs. Florence Mallette, Mrs. August Van Effen and Mrs. Harold Johnson.

Daughters of Isabella of Trinity Circle served as an honorary escort. They were Mrs. E. J. Bawden, Mrs. Peter C. Dube, Mrs. Mollie Walker, Mrs. Leo LaViolette, Mrs. Anna Molloy and Mrs. Eugene Auger.

The active pallbearers were Frank J. Beaudry, Philip Perron, Kenneth DeMars, Aldred LeBlanc, Curtis Starks and Clarence LeBeau of Carney.

Those attending the rites were Mrs. John O'Malley, Betty Jane and Boyd O'Malley and Mrs. Nick Arendt, Detroit, Urban Picard of

Soo Woolen Mills Partially Closed By Lack Of Orders

SAULT STE. MARIE—The Soo Woolen Mills has partially ceased operations due to "lack of orders" according to Deal West, manager of the mill. About 65 employees will be affected by the law-offs. Lay-offs took place in a few departments this morning. "We hope it is a temporary condition," said West.

He said he was to be in contact with the head office of Symons Brothers in Saginaw, who purchased the mill from John R. Culis some years ago.

He said the carding and spinning rooms personnel had been dismissed this morning and he expected that the sewing room women would not return to work tomorrow.

However, the weaving room will continue to operate up to next week at least.

The Soo Woolen Mill in the past has been famous for its woolen clothing, much of it used by deer hunters, and woodsmen over a period of many years.

England's Queen Victoria reigned for 63 years.

Upper Peninsula Briefs

NEWBERRY—Adrian N. Langius, director, building division, Department of Administration at Lansing, announced today that the State Administrative Board recently awarded contracts for rebuilding "Cottage Q" at the Newberry State Hospital at Newberry. The general contract was awarded to the Kaysner Construction Company, Sault Ste. Marie, for \$116,000.00; the mechanical contract to the C. E. Carlson Company, Ironwood, for \$35,990.00, and the electrical contract to the Cloverland Contracting Company, Crystal Falls, for \$6,348.00. Harry W. Gjelsteen of Menominee, is the architect.

CRYSTAL FALLS—The city's proposal altering the present plan under which it provides Mansfield and Crystal Falls townships with fire protection will be discussed when the city commission meets with the boards of the two townships within the next two weeks. The meeting was scheduled Monday evening, when the commission met in regular session at city hall. Under the proposed plan, the townships, which heretofore have paid a flat rate of \$50 for each fire call, will be charged at the rate of one mill on the assessed valuation, or the equivalent of \$1 per \$1,000 valuation.

ISHPEMING — One of the world's foremost authorities on skiing left here for Duluth yesterday after a three-day visit spent on a research project. Jakob Vaage, curator of the Norwegian National Ski Museum, was in Ishpe-ming to gather material for a

project he is conducting to determine the influence of the Norwegians on the ski sport in the United States. He is spending about eight months in this country on a scholarship and plans to return to Ishpe-ming next February to witness the national ski jumping tournament at Suicide Hill.

MENOMINEE—Two M-35 fishermen, Weston Wright and John Weibert, marooned on their fishing tug in Green Bay about a quarter of a mile off Stoney Point at the North Shore Golf Club Friday were brought safely to shore without incident by City Firemen in the City's rescue boat which is berthed at the Menominee Fire Station. The rescue took place about 8:45 p. m. Friday.

IRON MOUNTAIN—A camp on Middle Island Point was almost totally destroyed by fire Friday afternoon despite efforts by the Marquette fire department to save part of the structure. Owned by Mrs. Simon R. Anderson, 619 Spruce Street, and leased by Colonel Weeson of Marquette, the camp went up in flames along with Mrs. Anderson's furnishings and the Weeson's personal possessions. The camp was partially covered by insurance.

THOSE IN UNIFORM

Promoted To Corporal — Richard DeGrand, son of Mr. and Mrs. Henry DeGrand of 218 S. 22nd St., who is stationed at Ft. Richardson, Anchorage, Alaska, with the anti-aircraft artillery, has been promoted to corporal. Cpl. DeGrand went into the Army Feb. 2 of this year, and took basic at Ft. Bliss, Tex. He worked at Harnischfeger before entering service.

Fine Cornell Man On Game Charge

Paul Brandt, 32, Cornell Rte. 1, was fined \$25 and assessed court costs of \$9.35 this morning in the Escanaba justice court of Henry Ranguette after he pleaded guilty to a charge of carrying a loaded gun in his car at night in a game area.

A conservation officer of this district arrested Brandt. The offense occurred Saturday night about 11:45 in Cornell Township on the Truck Road.

Car Rolls Over, Driver Injured

MANISTIQUE — Lloyd Earl Swayer, 325 Delta Ave., Manistique, received head lacerations when the car which he was driving went out of control and rolled over on US-2, east of Manistique city limits, at 11:30 p. m. Saturday.

He was treated for his injuries at Schoolcraft Memorial Hospital and was later released.

Swayer also hit a driveway abutment and a mailbox before turning over. State police of the Manistique post, who ticketed Swayer for reckless driving, report that he was driving at a rapid rate of speed. Damage to the car is estimated at \$800.

Another reckless driver, Leonard F. Marotz, 23, of Cleveland, Ohio, was ticketed by state police Saturday. He was traveling at a speed of greater than 90 miles an hour as clocked by state police on M-94, north of Manistique. The road was blacktop with soft shoulders. Marotz had stopped alongside the road when the police caught up to him.

A charge of drunken driving was issued against William Overton Huckaby, 58, of Detroit, Saturday at 7:15 p. m. when he crossed over the centerline in front of the state police car and forced the police off the road on US-2, west of Manistique. Huckaby was traveling east, and the police were traveling west.

With The Deer Hunters

John Clearmont, 73, of Hardwood, shot a 12-point, 250-pound buck Friday morning about 8 in front of his camp at Hardwood.

Francis Rodgers, 1401 S. 13th St., hunting from the Palmer Derouin camp at Trenary, shot a buck Sunday.

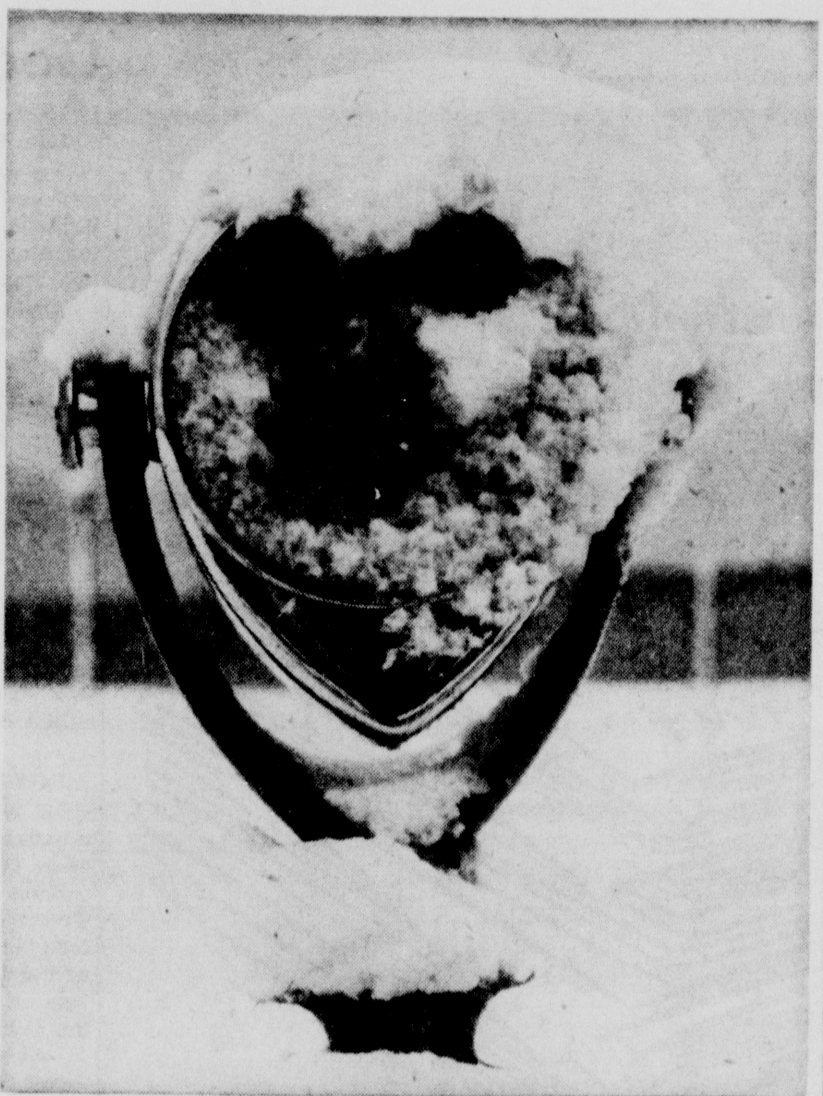

Bill Hendrickson, 1006 Sheridan Road, shot an 8-point, 200-pound buck Friday morning while hunting out of the Art Servant camp west of St. Jacques. Also in the party were Buddy Erickson, Ole Oliver, George Nelson, and Bob Dimock.

Elmer Turnquist, Bark River, 18th St., bagged an 8-point, 150-pound buck Sunday morning four miles south of his home.

Joe Gardner, 33 Highland Ave., Wells, got a 6-point buck Sunday at Watson.

David Westerberg of 1314 N. 18th St. bagged a spikehorn buck at 8:30 a. m. Saturday while hunting out of a camp at Rock. The buck weighed 130 pounds. Carl Westerberg, filled his license Monday morning, bringing down a six-pointer weighing 140 pounds. Another member of the hunting party, Ralph Peterson of 714 Ludington, met with success at 8:20 a. m. on the opening day, Nov. 15, killing a six-point buck weighing 150 pounds.

Edward Treundt, Hinkley, Ill., hunting out of the D. T. Lawrence camp near La Branche, shot a 140-pound, 6-point buck Saturday morning about 15 minutes after he set out. Hunting from the same camp, Bill Lawrence of La Branche filled his license Saturday morning with an 8-point, 180-pounder. Bruce Myers of Saginaw and "Doc"

Bang's Disease Tests Planned

A Bang's Disease cattle testing program will begin in Delta County this week and continue the next few weeks. County Agricultural Agent Joseph L. Heirman said this morning.

All cattle in the county six months or older, except steers, will be tested, under a state and federal program.

Local veterinarians working with the program will make most of the farm calls. Heirman said. Blood samples will be tested by Dr. Leonard Vader at the state laboratory in the 500 block on Ludington St.

The laboratory will mail farmers the results. Heirman noted the state and federal governments will pay farmers an indemnity on animals which are reactors. The indemnity is \$18 on a grade animal and \$36 on a purebred. The county agent commented that this is over and above what the animal may bring when slaughtered.

Beuhler of Marengo, Ill., also got bucks. Charles Hynes, 225½ N. 9th St., shot an 8-point buck weighing 195 pounds while hunting north of Hyde Saturday afternoon.

tickets to the following motorists: Donald Palmquist, 2011 15th Ave. N., failure to signal a turn; William Couillard, Wells, improper right turn and no operator's license on person; Mrs. Gertrude Crosswell, Rock, failure to stop in assured clear distance ahead; Larry L. Lariaby, Gladstone Rte. 1, speeding; Roscoe Olson, Bark River Rte. 2, defective muffler; John Bushey, 408 N. 23rd St., no license on car; George LaCrosse, 1415 2nd Ave. N., no operator's license on person; James R. Fitzharris, 912 Lake Shore Drive, no operator's license on person; Yvonne Cormier, 1513 Washington Ave., disobeying stop sign.

Debaters Win Six, Lose Two

The Escanaba Senior High School debating squad won two out of four varsity debates and four out of four reserve debates at Norway Saturday. They defeated Crystal Falls and Ironwood and lost to Manistique and Ishpeming varsity.

Members of the squad debated the question: "Resolved: That the President of the United States Should Be Elected By the Direct Vote of the People."

All of the local debaters had a chance to debate varsity and reserve. Those debating were Cynthia Sogard, Mary Ellen McMeek-an, Ann Krantz and Marilyn Myers, affirmative; and Barbara Anderson, Lois Hendrickson, Jim Johnson and William Harrison, negative. They were accompanied by their coach, John Komstad.

Faculty members of Northern Michigan College of Education judged the varsity sessions with Prof. Forest Roberts as chairman of the judging staff. High School faculty members judged the reserve teams.

Escanaba participated against 15 other Upper Peninsula schools. They will travel to Kingsford Dec. 12 for the second practice session.

Hospital

Mrs. Mary Gaffney, accompanied by Mrs. Erwin Gibbs, returned Saturday evening from Rochester, Minn., where she had been a patient at Colonial Hospital.

Light Rain Or Snow Forecast Tonight

U. S. Meteorologist Emil Ellington this morning predicted light rain or snow tonight and Tuesday in Escanaba.

While Escanaba got four inches of snow Sunday afternoon, Ellington noted, other U. P. communities got less or none.

Marquette had one inch. Sault Ste. Marie had about a half-inch of rain, but no snow except a little around midnight which had disappeared from the ground by this morning. Houghton had no snow.

Manistique Woman Injures Foot In Hunting Accident

MANISTIQUE—Mrs. Edward LaVance, 738 Arbutus Ave., Manistique, received a self inflicted gun shot wound in the left foot Sunday at 10:15 a. m. while hunting with Mr. and Mrs. Ed Clement of Manistique.

The party was hunting in Doyle Township, near the Jim Vaughan camp in the floodwood area on the River Road. Mrs. LaVance was carrying a loaded .22 caliber rifle, and the safety had not been set. When the gun discharged, the bullet struck her small toe on the left foot, which was severed.

It is estimated that in the United States, more motor vehicles are used for distributing milk than for any other commodity.

Teen-Agers Recognize Highway Safety Is Their Problem, Too

SAFETY is everybody's business.

Accidents are a major cause of death and injury in America. To reduce a toll that costs the nation so heavily in terms of lives and money requires the combined efforts of all the people.

In view of this situation, it is particularly pleasing to note the interest being taken in safety by high school youngsters. Friday a teen-age highway safety conference was held in Escanaba with participants from 24 high schools in this area. Similar conferences are being conducted throughout the state, all with the same objective—the reduction of automobile accidents involving teenagers.

The conferences in the Upper Peninsula are sponsored by various organizations, in-

cluding the Michigan State Police. It is particularly significant, we believe, that the costs of conducting these safety clinics in the Upper Peninsula are being borne by the Upper Peninsula State Fair.

In the fair this year public attention was focused on the safety patrol program of Upper Michigan schools. This work is being furthered for the 1954 Upper Peninsula State Fair by continuance of this program and by its expansion in other phases of teenager traffic safety.

The problem of driver safety for young drivers is an acute one. It is reflected in higher insurance rates for drivers under 25 because the record shows that young drivers cause a proportionately higher number of accidents than older drivers.

Reduction of this high accident rate depends primarily upon the willingness of the young drivers to do something constructive about it. It is for that reason that conferences such as that conducted here Friday are so important. The youngsters obviously want to do something about it.

Particular attention is being focussed by teenagers in high school driver training programs. Experience has shown that boys and girls who learn to drive the safe way in high school driver training programs are not only better drivers than other teenager drivers but they also are better drivers than most of their elders. Driver training is not an educational frill. It is the major hope for a long range solution to one of the most baffling problems confronting the nation.

Words, Wit & Wisdom

By William Morris

Let's see if you can decode this sentence: "The jet was making Mach 1.2 at twenty-two angels when the fly boy, all hunched up, made the break and for a second thought he'd have to hit the panic rack to avoid blackout."

Well, this extraordinary gibberish, which sounds rather like something out of a Twenty-Fifth-Century science-fiction story, actually is made up of slang and technical terms used by today's jet airplane pilots and engineers. Now let's decode it.

"Mach 1.2" refers to the speed of the plane. Did you know that reference to the speed of a supersonic airplane in conventional "miles-per-hour" terms grates on the ears of a jet pilot just as much as the phrase "knots-per-hour" irritates a sea captain? Indeed, to a modern aviator "miles-per-hour" is nearly a meaningless term. He is interested in the ratio of his speed in the air to the speed of sound and this he expresses by a "mach number." For example, a plane flying at precisely the speed of sound is flying at Mach 1. Speeds faster or slower than the speed of sound are expressed thus: Mach 1.1 (or higher) and Mach .9 (or lower).

"Twenty-two angels" tells the altitude at which the plane is flying, an "angel" being a unit of 1,000 feet. The jet plane mentioned above, therefore, is at 22,000 feet.

"The fly boy" is the pilot, though any member of the crew in a large plane can be so designated. "All hunched up" means extremely nervous and "the break" is a sharp turn.

"The panic rack" is the special seat designed for jet pilots which, when a release lever is hit, ejects the pilot—parachute and all—into space. Asd "blackout," of course, is loss of consciousness due to speed, air pressure, centrifugal force and other factors acting upon the pilot under such circumstances.

Thus, to complete our decoding, the sentence in layman's language goes something like this: "The jet plane was going approximately 900 miles per hour at 22,000 feet when the pilot, nervous about the maneuver, made a sharp turn and momentarily thought he might have to eject himself from the plane to avoid losing consciousness."

Incidentally, among the handful of "fly boys" I've known, there hasn't been one that the "all hunched up" label would fit. A more competent, self-assured group of youngsters you couldn't hope to meet. And the records they racked up in World War II and in Korea surely stand as unmatched evidence of their courage and fortitude in the face of every conceivable hazard.

More men are wearing suspenders, according to a news item. Nice to hear of one thing that's holding up.

There are some traffic cops who still don't know that free speech is guaranteed under the Constitution.

The Doctor Says ... Bunions Are Often Caused by Shoes Hhat Fit Improperly

By EDWIN P. JORDAN, M.D. — Written for NEA Service

A reader recently asked if there was any substance she could get to rub on bunions which would reduce them. She seemed to be more concerned about the appearance of her feet than about the discomfort though in many cases bunions can be extremely uncomfortable.

Unfortunately, there is no preparation which can be applied to the surface of the skin with any great effectiveness, but bunions are extremely common, and certainly deserve to be discussed.

What is a bunion? It is a swelling of the lining of the joint at the base of the big toe. The skin becomes thickened and reddened, and the bunion pushes the big toe toward the others. The whole area is sensitive to pressure.

What can be done for a bunion? A bunion which has not been present too long, and which is not far advanced, is best cared for with conservative management. This involves removing the pressure on the inflamed and thickened tissues.

The shoes must fit well and sometimes it is even necessary to cut a hole in the shoe around the bunion so that there is no pressure on it at all. Heat may also relieve

the tenderness and reduce the swelling. Sometimes such treatment is enough, but unfortunately some are so bad that more heroic measures are necessary. Surgery may be the only answer. At times part of the difficulty is the accumulation of fluid which can be removed by a needle or small cut.

SURGERY, IF NEEDED

Often an operation, which involves removal of the excess tissue making up the bunion, is necessary. Just the right amount has to be taken out and then the bones of the big toe have to be placed in the proper position and held there by plaster of Paris cast until healing takes place. It is not a quick or particularly comfortable procedure.

Almost all people who have bunions could have avoided them. They most often are the result of wearing improperly fitted shoes—those which are too pointed or too short. Bunions are practically unknown among people who do not wear shoes.

No one would recommend going barefoot on our city streets, but it can be pointed out that bunions as well as many other foot troubles would occur less often if more people took better care of their feet.

Merry-Go-Round

By DREW PEARSON

WASHINGTON — Secretary of State Dulles is not happy, to put it mildly, over Vice President Nixon's impromptu diplomacy on his Far Eastern tour. He feels that Nixon has reached for too many headlines, may have put personal publicity ahead of American foreign policy.

After Dulles announced that the United States may some day recognize Red China, for example, Nixon assured Chiang Kai-Shek in Formosa that the Secretary of State really didn't mean what he said. Naturally, Dulles was furious.

Again, in Indo-China, Nixon called upon the French to press the war against the Communist guerrillas to total victory. The French protested afterward that the United States didn't fight the Korean War to total victory, and that the French might settle for an honorable truce in Indo-China too.

Again, in Seoul, Nixon pledged U. S. support to Syngman Rhee in his struggle for a United Korea. Rhee promptly interpreted this as meaning that the United States would help him fight his way back to the Yalu, in case the political talks break down. Yet this isn't American policy at all.

All this is why Nixon is now reading from prepared manuscripts—manuscripts which are scrutinized by U. S. diplomats in advance.

JUNKETING CONGRESSMEN

So many congressmen have been demanding free airplane rides around Europe that the Air Force Mission which is supposed to train French pilots has kept most of its planes busy catering to vacationing congressmen.

Since congress adjourned three months ago, 246 members of congress, believe it or not, have shown up at the Air Force Mission in Paris demanding free transportation.

Most of them have been accompanied by their wives or secretaries. Some have been accompanied by both their wives and secretaries—plus even their secretaries' wives.

DIETING IKE

When President Eisenhower, who is on a diet, had breakfast the other morning with hefty GOP Congressman Clarence Brown of Ohio, also on a diet, the conversation naturally got around to their respective weights.

"I'm doing all right on the scales," said Brown. "I'm down to 206 pounds. Believe it or not, that's almost exactly what I weighed when I played my last game of football back in 1916. It was a semipro game. Before that I had been a regular on the Washington and Lee University team."

"Well, oddly enough, the same is true in my case," grinned the President. "I weigh 174 stripped, which is exactly what I weighed when I played my last game of football for Army. I gained about 10 pounds during the summer but have since taken them off by dieting."

The two dieting ex-footballers both ate a light breakfast—half a grapefruit, one soft-boiled egg, toast, marmalade and black coffee. But they seemed to enjoy it.

FOOT-IN-MOUTH TALBOTT

Secretary of the Air Force Talbott is still in the Pentagon doghouse.

After his return from Europe, Harold Wilson was called on the carpet by his boss, Secretary of Defense Wilson, to explain his unauthorized statement about sending A-bombs to Spain. Talbott swore it was all the fault of the Spanish translators, and that what he had said was: The United States would support Spain with A-bombs. The way the translators scrambled it, Talbott claimed, the word "support" came out as "supply," so he was quoted as saying the United States would supply Spain with A-bombs.

Wilson, however, still wasn't appeased. He pointed out that Talbott had kept on sticking his foot in his mouth even after he left Spain, and had made a remark about cutting down the size of our forces in Europe, though President Eisenhower had announced no such idea was contemplated. Furthermore, Talbott made a statement about going full-speed ahead on bases that the U. S. intends to take its time building. And he promised Turkey F-86 Jet interceptors, when she is really going to get F-84 Jets for ground support.

As a result of all this, Talbott was warned to watch his words in the future or be fired.

HE STEPPED ON TOES

Clarence Randall, the Inland Steel mogul, now "commissioning" for Ike, has stepped on the toes of two angry, powerful members of congress. They are House Ways and Means Chairman Dan Reed of New York and Senate Finance Chairman Gene Millikin of Colorado. Both are serving on the Randall Commission to study foreign trade.

Randall, who favors low tariffs, invited Paul Hoffman, who also favors low tariffs, to be the lead-off witness when the Commission called in businessmen to get their views on tariffs. But Reed and Millikin, who believe in high tariffs, wanted ex-President Herbert Hoover to testify, too.

Randall refused. He didn't want a parade of celebrities testifying, he explained. Reed and Millikin argued that Hoffman, as former foreign-aid boss, was just as much of a celebrity as Hoover. But Randall wouldn't invite Hoover, and Reed and Millikin are irked in the extreme.

Into The Past

10 YEARS AGO

Escanaba—Thanksgiving turkeys will cost 53 cents per pound, according to local OPA office announcement.

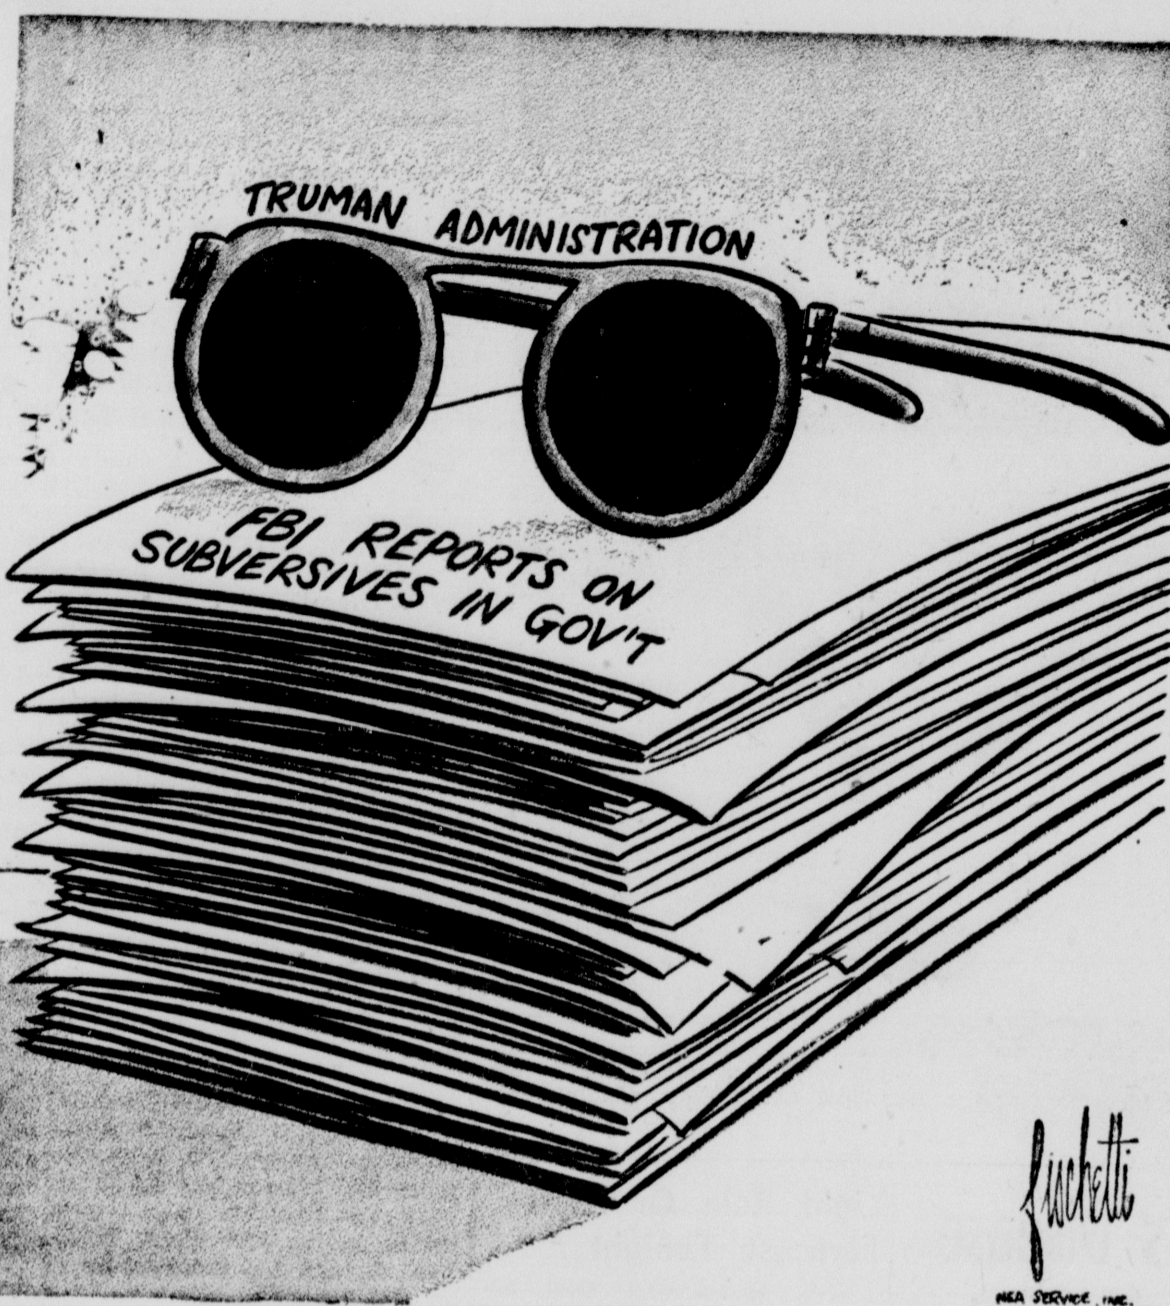

Escanaba — Miss Katherine Pattison, student at Michigan State College, is a member of the college glue club.

Gladstone—Ross P. Davis, was appointed field representative of the Federal Land Bank of St. Paul, according to recent announcement.

20 YEARS AGO

Escanaba—The Birds Eye Veneer Company reports a good market for its products and much veneer material is being exported. England, Italy and Austria now have representatives in Escanaba making purchases.

The Record

Cheer Up: Venus Resident Says They Fear Us Earthmen Too

By RICHARD KLEINER
NEA Staff Correspondent

NEW YORK—(NEA)—George Adamski is either an ace spinner of science fiction tales—or else he's the first earthman to talk to a visitor from out of space. He claims that he's the latter.

Adamski says that on Nov. 20, 1952, he talked to a man from Venus for about an hour. Then he watched him take off in his flying saucer, and, 23 days later, the Venusian came back and gave Adamski a message. The message has not yet been deciphered.

If it's science fiction, this is a humdinger, because Adamski has photographs, a plaster cast of the visitor's odd footprint, affidavits from six people who watched the rendezvous, and that strange message. If it's science fact, it's a whooper, because none of the six witnesses was close enough to hear the "conversation," the photographs do not show the visitor, and nobody has been able to make head or tail out of the scrawly hieroglyphics on the message.

But Adamski's story, whether fact or fiction, makes highly entertaining reading. He tells it in a book called "Flying Saucers Have Landed" (British Book Centre), written in collaboration with Desmond Leslie. Leslie's half of the book is a lengthy attempt to prove that flying saucers date back to 1290, and possibly even before. But it is Adamski who steals the show.

He tells how he grew interested in the subject of flying saucers, and spent many hours looking for them—and seeing them. Then, on that fateful Nov. 20, he was in the California desert, about 10 miles northwest of Desert Center. With him were Mr. and Mrs. A. C. Bailey, Dr. and Mrs. George H. Williamson, Mrs. Alice K. Wells and Mrs. Lucy McGinnis, his secretary.

Suddenly, they all spotted "a gigantic cigar-shaped silvery ship," riding high and silently in the clear sky. (The Venusian later said this was the saucer's "mother" ship.) They followed this until it suddenly zoomed off, frightened away by Air Force planes. Five minutes later Adamski, who had wandered away from his companions, saw a flying saucer, drifting in between two mountain peaks.

This craft, too, was spotted by Air Force planes, and disappeared in a hurry. But a few minutes later, Adamski says, he saw a man about a quarter of a mile away. The man motioned to him, and he came.

This was the Venusian. He was about five feet, six inches tall, weighed about 135, and Adamski estimates his age at 28. He was quite good-looking, with long, wavy, shoulder-length sandy hair, a sun-tanned complexion, gray-green eyes slightly askant at the corners and beautiful white teeth. He was wearing a chocolate brown outfit, which Adamski describes as like a ski suit, and ox-blood colored shoes with a side opening.

There was a friendly greeting—Venusians shake hands by simply placing palms together—and then they talked. Adamski doesn't speak Venusian and the visitor knew no English, so they talked by making gestures and "forming pictures in their minds."

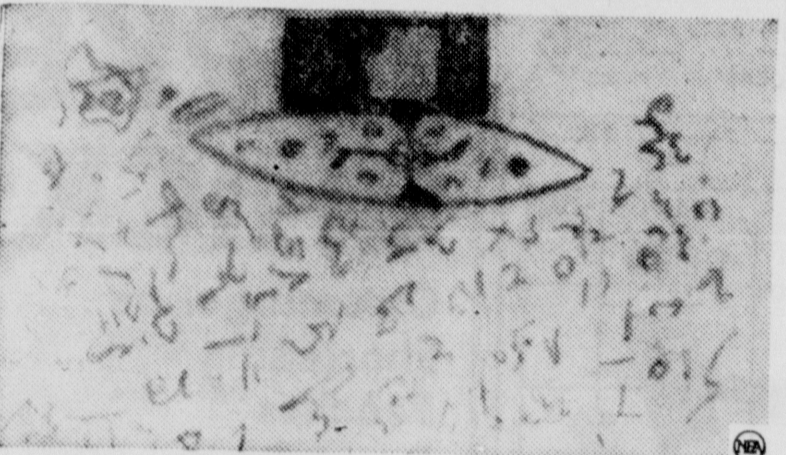

Adamski learned, first, that the visitor was from Venus. (He made gestures of circles around the sun, and the visitor pointed to Venus' orbit.) Then the Ven-

VENUSIAN FLYING SAUCER: What looks like a ceiling light fixture here is a flying saucer from Venus, says Author Adamski, which he photographed through a telescope as it flew over Palomar Gardens, Calif., on Dec. 13, 1952. What appear to be light bulbs are spherical landing gear, he says. These photos are from his book, "Flying Saucers Have Landed."

MOTHER-SHIP FROM SPACE: Adamski made this telescopic photo at Palomar Gardens March 5, 1951. He says the cigar-shaped object is a mother-ship with Venusian saucers leaving it.

MESSAGE FROM VENUS: This is the message which was on the photographic plate Adamski says the man from Venus left him on Dec. 13, 1952. It hasn't been deciphered as yet.

usian said he had come to warn Earth that atomic explosions were dangerous. "To express the explosions, he said 'Boom! Boom!'"

The man from Venus explained how saucers were powered—magnetism. And he said that many saucers had landed before. He even admitted that some Earth people had been taken away. He said that other planets besides Venus—and planets in solar systems other than ours—send out craft that come to Earth. Many use the Moon as a stopping-off point.

Saucers, he continued, do not appear or land often in populated places, as the men from outer space fear Earth people. But he said there were men from other worlds living on Earth today, among us, and for that reason he wouldn't permit his picture to be taken. Adamski sympathizes, saying there are certain facial characteristics which would be easily spotted.

The visitor said almost every planet is inhabited, and the people look almost the same as we do. Then he made a point of impressing his footprints in the ground and, after a few more pleasantries, led the way to his saucer. He took a photographic plate from Adamski before leaving.

The footprints, which had a different set of hieroglyphics on each shoe, were quickly preserved in plaster of Paris. It was on Dec. 13 that the saucer flew back, over Adamski's home at Palomar Gardens, and one of the portholes opened. A hand appeared, dropped the photographic plate, waved slightly, and then the saucer zoomed away.

On the plate was the message. Adamski was very pleased with the encounter, with one exception. The Venusian wouldn't take him for a ride in the saucer. But, he says, maybe next time.

Did he (Mr. Truman) tell us that (Alger) Hiss was a decoy and they were smoking him out?—Senator Ferguson (R., Mich.).

This island (Formosa) is a bulwark of strength among free nations of the Pacific.—Vice President Nixon.

If the free world is to enjoy peace, then the free world must be morally and militarily strong enough to maintain it.—Army Secretary Stevens.

Good Evening...

By CLINT DUNATHAN

THE DOUBLE MEANING—One of the deplorable aspects of what is described today as "American humor" is the seeming necessity to have every joke carry a double meaning. It must be risqué, it appears, or it is not funny.

Miss Bonnie Warren of Sturgeon Bay, who spent a year in Scotland as a Rotary Foundation scholarship student, noted this when she addressed the Escanaba Rotary Club a few weeks ago.

"In Scotland," she said, "the humor presented on the stage is always clean. There is never anything to offend any member of the family—and families go together to the theater for amusement."

She deplored the tendency toward dirty jokes emanating from Broadway night clubs and stage. People from other countries are often shocked by double entendre jokes so promiscuously dispensed by the so-called American wits.

ROYAL BLUSH—The penchant for off-color jokes has indeed spread far and now makes its western headquarters in that other center of entertainment—Hollywood.

King Paul and Queen Frederika of Greece were treated to a sample of American "humor" there when they were on tour of the United States. The royal couple was impressed by Americans as being courteous, kindly and clean.

At a civic banquet in Hollywood, however, they were treated to program of risqué songs and patter that left the couple's hosts blushing.

The young woman singer who did her best to emphasize the smutty songs, showed her complete lack of social qualification by retorting, when she heard there had been criticism: "I didn't think it was possible to shock politicians."

America owes an apology to the king and queen of Greece—and it needs above everything an examination of its own brand of contemporary humor.

TRAINING PERIOD—Young America becomes accustomed to the off-color joke in its early years by hearing some of the most "famous" purveyors of expensive smut.

Many of the popular songs now on the market have words and situations highly suggestive to the ear trained to catch their double meaning. When they are heard on records, or heard sung with the assistance of persons whose intent is to accentuate the off-color intent of the song writer, they can become shocking to those who have not yet lost the ability to blush.

In movie theaters parents accompanied by their children must sometimes feel a sense of embarrassment in viewing scenes or hearing dialogue that is patently suggestive.

To claim that this fare is meaningless to the innocent and therefore harmless is like maintaining that a little dirt only makes a small mark. Whatever the size of smears, the blackening is in process.

COULD BE CLEAN—There is no necessity for a public display of pornographic pictures or salacious stories and there are laws prohibiting them.

Difficult to control, however, is the innuendo, the song or story that can be interpreted either way, the suggestive interpretation of the so-called entertainer.

Only public opinion, firm in the knowledge that wholesome and unrestrained laughter cannot be enjoyed if it is inspired by unwholesomeness can correct the situation. The dirty jokes voiced by entertainers will be heard no more when it is shown to be unprofitable.

ADULT HUMOR—There is no lack of humorous material generally regarded as for the "adults only" trade.

Grownups have been amused and will continue to be amused by situations that occur only in adult life. Some of the plays of Shakespeare, Shaw, Sheridan and others are strictly adult fare.

These plays, in story and in language and inspiration, are inoffensive to all except the prude. So are many of the contemporary plays that have value above the mere effort to shock and to pandar.

But where the sole purpose of entertainment is to present a rapid-fire line of smut, of off-color jokes, the reception can at best be no more than embarrassment. Some of America's entertainers still have to learn that the majority of our people prefer clean and wholesome humor.

Questions and Answers

Q—Will the federal government, New York State, or private companies undertake power projects on the Niagara River?

A—The final decision has not yet been made. The House voted for development by private utilities, but Congress adjourned before the Senate could decide whether to go along. Next January, the Senate Public Works Committee will resume consideration of the bills, recommending one of the several available paths.

from protected to unprotected status, un-

A—From April 1, when President Eisenhower ordered the transfer of some jobs to Aug. 28, a total of 527 positions were placed in Schedule C—the policy-making category. The Civil Service Commission rejected 627 additional requests for transfer.

Cpl. Edward Paquin Gets Citation For Meritorious Act

POWERS-SPALDING —Cpl. Edward Paquin, son of Mr. and Mrs. Henry Maki of Spalding, who is stationed with the U. S. Air Force in Alaska, has received a citation for his prompt action under hazardous conditions from C. E. Lundquist, Col. Infantry, Commanding. Through his commanding officer of the 274th AFL Battalion Colonel Lundquist, Cpl. Paquin received a letter of commendation stating:

"You are to be commended on your prompt action under hazardous conditions in extinguishing a fire which occurred in a carrier, 105-MM Howitzer M7B1, on 16 October 1953 at Ladd Air Force Base, Alaska.

"Your prompt and unhesitating action prevented a serious fire which could easily have resulted in loss of life and valuable equipment had the basic load of artillery shells, which the vehicle contained, exploded.

"Your disregard for your own personal safety is in keeping with the highest traditions of the United States Army and sets an example worthy of being followed by your fellow soldiers."

Briefs

Mr. and Mrs. Fred Friend of Petoskey are guests at the Eli Bellefeuil home. Mrs. Friend is a cousin of Mrs. Bellefeuil. Other guests are Mr. and Mrs. Clem Sullivan and son John of Appleton. Mr. Friend and Mr. Sullivan are hunting camp guests.

Clinton Gordon and son Jerry of Detroit were hunting guests of Ted Dault. Both Mr. Dault and Jerry got their bucks.

Leslie Sharon of Minneapolis is a guest of his brother, William Sharon, and is hunting at the Sharon camp.

Other guests in the community during the hunting season are Mr. and Mrs. George Neiman of Wayne and Gust Johnson of Detroit who are visitors at the Edward Johnson home.

Alger Hiss Again Refused Parole

WASHINGTON (AP)—Alger Hiss today lost a second plea for parole from prison.

Dr. Paul Tappan, chairman of the U. S. Parole Board announced: "The Board of Parole today automatically reconsidered the parole application of the former State Department official—now serving a prison term of conviction of lying when he swore he did not give government secrets to the Communists—was first considered and turned down just one year ago. Under board procedure, it came up automatically for a further look 12 months later.

Briefly Told

Schools Close Wednesday—Escanaba public schools will close at noon Wednesday for the annual Thanksgiving vacation period. Classes will be resumed Monday morning.

Hockey Workbee—A hockey workbee will be held at 7 this evening at the exhibition building at the state fairgrounds. Hawks and fans will put the finishing touches on the erection of bleachers.

Leading Oil Hunter In Michigan Dead

DETROIT (AP)—John V. Wicklund, 65, one of Michigan's leading oil discoverers, died Saturday. He was chairman of the Peninsula Oil Co., owner of the Mogul Oil Co., past president of the Oil and Gas Assn. of Michigan and a long-time director of the Independent Petroleum Assn. of America.

He had drilled at least 250 wells and produced 25 million barrels of Michigan oil. He began his life as a printer, moved to South Haven in 1918 and worked 13 years for a Chicago firm that built and promoted theaters.

In 1932 he was credited with the discovery of the Buckeye field in Gladwin County and in 1941 he discovered the Headquarters field in Roscommon County. The Gladwin field turned into one of the state's biggest.

Funeral services will be held here Tuesday.

Nixon In Manila

MANILA (AP)—U. S. Vice President NIXON told an audience of 30,000 cheering youths today the "young people in Asia are on the march and will decide the future of the world." In his only public speech on a four-day visit to the Philippines, he said that while the world conflict today is military and economic, the most significant battle "is a battle for the minds, hearts and souls of men."

Montana is said to have coal reserves of about 222 billion tons.

CORPORAL DICKENSON COMES HOME—Speechless with emotion, Van Buren Dickenson, 73, hugs his son, Cpl. Edward Dickenson, who has chosen freedom over communism, as he arrives at Andrews Air Force Base, near Washington, D. C., on the last lap of his journey from Korea to his home in Cracker's Neck, Va.

Edward's mother, at left, beams proudly at the father-son reunion. The 23-year-old soldier was the first to change his mind of 23 Americans who refused freedom when allied and Communist prisoners were exchanged after the Korean armistice. (NEA Telephoto)

Small Movie Houses Not Getting Enough Hollywood Pictures

By WAYNE OLIVER

NEW YORK (AP)—Movie attendance is on a gentle upgrade but the small theater owner claims he's being left out because he isn't getting enough pictures from Hollywood.

Operators of neighborhood and small city theaters say an estimated gain of four to five million in weekly ticket sales since the first of the year is due largely to long runs by a few super colossal features in metropolitan picture palaces.

Fewer And Better

With Hollywood's output down more than one-fourth in the past two years, the little fellow who changes program two or three times a week says he can't compensate by longer runs—that three or four days is the limit for his house no matter how good the picture.

Tenor Who Quit May Be Rehired

CHICAGO (AP)—Tenor David Poleri was fired for his unscheduled exit Thursday night from the death scene in the New York City Opera Co.'s performance of "Carmen"—but may not be positively.

A copy of a note an opera company spokesman said conductor-manager Joseph Rosenstock sent to Poleri acknowledged the singer's apology and concluded:

"It will be a pleasure . . . to contact you again and discuss with you further plans in connection with our company."

That's where the matter stood today. Poleri had been scheduled to sing in "La Boheme" Wednesday and in "Rigoletto" next Saturday.

Poleri was officially fired Saturday after Rosenstock took the position "he simply eliminated himself," when he flung his hat to the floor and strode out telling Rosenstock, "finish it yourself."

The 28-year-old tenor apologized, citing emotional stress and physical ailments, but said, "I realize that under no circumstances was my behavior justified." At the same time, Poleri told a reporter he would take up the matter with the American Guild of Musical Artists.

The 112-mile stretch between Indianapolis, Indiana, and Dayton, Ohio, was the first in the United States to have painted rooftop and highway markers for air travel.

Prisoner Quiz At Standstill; 25 Days Left

(Continued From Page One)

again proposed that Russia attend the meeting as a belligerent after urging the Communists to explain their plan for neutrals to attend the conference—which he termed a "pig in a bag."

"You want me to buy it without being able to examine it," Dean told the Reds in a subcommittee meeting on the composition and site of a Korean peace conference. The Allied-Red preliminary talks are in their fifth week.

Demands Fantastic
Russian participation on the Communist side was approved by the U. N. Aug. 28, when it adopted its plan for the conference—a meeting of the two warring sides only.

The Reds have plumped for a round-table conference, with non-belligerents attending. Dean, who represents the United Nations which fought in Korea, told newsmen after Monday's meeting he was "still optimistic" although he felt the talks were moving at a "snail's pace."

He said he told the Reds they were making an "arbitrary demand" by insisting on nonbelligerent participation without making clear exactly what the added nations' roles would be. The Communists have proposed that nonbelligerents attend without a vote on important matters, but have refused to go into details on their plans.

MAY CALL ON U. N.
UNITED NATIONS, N. Y. (AP)—A diplomatic informant in the U. N. disclosed today that Lt. Gen. K. S. Thimayya is preparing to ask the U. N. General Assembly to step into the Korean prisoner repatriation stalemate.

The source said that the Indian chief of the Neutral Nations Repatriation Commission in Korea has completed a lengthy report, giving all sides of the repatriation deadlock. The report is expected here late this week.

One copy is going to Secretary General Dag Hammarskjold. He will circulate it to all U. N. members, opening up the question for another heated debate. The informant said it is understood.

With The Deer Hunters

Successful hunters include Dan Weber of Escanaba and Louis Waeghe of Gladstone. Weber got a five pointer, weighing 150 pounds, and Waeghe shot an eight-pointer, weighing 175 pounds. They were hunting from the Charles Waeghe camp in the Stonington area.

Wall Street

NEW YORK (AP)—The stock market was lower today with only a few isolated spots of strength showing.

Losses went to between one and two points at the outside while gains were fractional almost all the time.

Trading was moderate and maintained a pace right around the 1,300,000 shares traded Friday.

Motor, which are facing a tough season of selling, were lower. Steels, up against a decline in demand, also were down.

Also lower were railroads, chemicals, radio-televisions, and rubbers.

Declining were U. S. Steel, Chrysler, Boeing, Radio Corp., Consolidated Edison, Union Carbide, General Electric, American Tobacco, Illinois Central, and Standard Oil (NJ).

Higher were RKO Theaters, Loew's, Southern California Edison, Lockheed, and National Distillers.

U. S. government securities in the over the counter market were slightly higher.

No One Hurt In 3-Vehicle Crash On M-35 Saturday

No one was hurt in a three-vehicle accident Saturday afternoon about 1:30 on M-35 in front of Peterson's Store in Ford River. Sheriff William Miron said this morning. Total damage to the vehicles was estimated at \$435.

Ray Hocking of Detroit, driving a 1953 car, was starting to pass a 1949 platform truck driven by Erving Dahm of 1225 Lake Shore Drive when Dahm turned left across the highway to pull into the driveway of Peterson's Store, the sheriff said.

The two vehicles hit on the east shoulder. The Hocking car went on and hit the rear end of a 1939 sedan, parked in the store driveway, which belonged to John Staevechi of Bark River Rte. 1. No one was in the Staevechi car.

Damage to the Hocking car was estimated at \$400, and to the Staevechi car at \$35. The truck was undamaged.

The sheriff gave no tickets.

No Mention Made Yet Of Spy Ring Under Roosevelt

(Continued From Page One)

man's time. Hoover made only vague reference to reports to Roosevelt and former President Herbert Hoover.

On Nov. 8, 1945, Miss Bentley went to the FBI and told of White and others she alleged were spies. She said she had been a Soviet spy ring courier. Within a month Hoover sent a 30,000-word report about the alleged spies to Truman.

Surprise To FBI

Sunday a Washington newspaper editor, (J. R. Wiggins of the Post), in a lengthy analysis of the White case, wrote: "The speed with which the Bentley information was relayed to the White House (and the absence of any claim of prior knowledge) suggests that the Bentley story was as great a surprise and shock to the FBI as it was to the President and his Cabinet."

"A counterespionage system that depends for its first information of treason upon the disaffection of an enemy agent falls somewhat short of desired efficiency."

When Hoover, testifying before the Senate subcommittee, denied reports he had agreed with Truman to keep White in the government, he said what Brownell and Truman did: stuck to what happened in Truman's time.

No senator asked him if he had made any reports on White or a spy ring to Roosevelt, or knew about them then. Hoover didn't volunteer any such information.

It's possible that if the efficiency of his bureau continues to be challenged, Hoover, personally or through information released by his bureau, will have something to say on spy rings before Truman became president in April 1945.

stood Thimayya's report will make no judgment on the deadlock, which in its latest phase has halted prisoner explanations for a week. But he said it would put the whole question in the hands of the Assembly for decision.

The Communists failed to convince 97 per cent of the Chinese and North Korean prisoners they have interviewed that they should return to Red territory. They halted the explanations on a technicality.

About 20,000 of the 22,000 prisoners captured by the U. N. forces and still held remain to be questioned.

AT FT. BLISS—Pvt. Lowell J. Steff, who has been on a 12-day furlough visiting his parents, Mr. and Mrs. Joe Steff of Cornell, after completing his basic training at Camp San Luis Obispo, Calif., has been assigned to Ft. Bliss, Tex. He is in the Signal Unit.

Three Hunters Fined For Headlighting

Arrested Sunday morning on a charge of headlighting deer, two Kentuckians and a man from Woodland (Barry County) pleaded guilty this morning in the justice court of A. T. Sohlberg of Gladstone.

Judge Sohlberg fined each \$25 and assessed each court costs of \$7.30.

The men, L. D. Ross and E. L. Casey of Kevil, Ky., and George Parrott of Woodland, were arrested by conservation officers in

Father Of Wells Resident Dies

Earl E. Terwilliger of Ralph, father of Mrs. Cully (Pearl) Johnson of Wells, died of a stroke Sunday night at 6:30 in Memorial Hospital in Iron Mountain. He was 63.

Mr. Terwilliger was born April 14, 1890, in Wausau, Wis. His wife, Alvina, died at Ralph in 1929.

He is survived by two sons: Lawrence, of Ralph, and Elmer, of Menasha, Wis.; and by three daughters: Mrs. Clara Dixon, Felch; Mrs. Arthur Anderson, Sagola; and Mrs. Johnson. Nine grandchildren survive.

The body will lie in state before

Masonville Township in the Whitefish region.

gning tonight at 7 CST in Freeman Funeral Home in Iron Mountain. It will be taken to St. Mary's Church in Ralph Tuesday noon and will lie in state until funeral services that afternoon at 2 CST (or 3 EST). Rev. Robertson will conduct the services.

Bull Drinks Booze And Kills 3 Persons

CALCUTTA, India (AP)—A bull drank nearly a gallon of a country-made liquor at Kharagpur, 60 miles west of Calcutta, then gored three people to death on the main street before it was cornered and clubbed to death.

Advices from Kharagpur today said the animal poked his nose through an opening in the rear of a roadside tavern while the proprietor was busy attending customers.

THANKS, ESCANABANS.. FOR GIVING US SUCH A BIG SEND-OFF LAST WEEKEND.

The Grand Prize Winners Are:
1. Audrey Balthezore, Escanaba.
2. Mrs. Leona Rivers, Gladstone.
3. Mrs. C. Gorenchan, Escanaba.

Garden Couple Notes Twenty-Five Years Of Married Life

GARDEN — Mr. and Mrs. Joseph Ouradnik Sr., of Garden celebrated their silver wedding anniversary on Nov. 17. The Ouradniks, who were married at Garden in 1928 by Father Morin, have three children, Joseph Jr., who is serving in the armed forces in Germany and Marie and Joan, who are attending school in the local schools. The witnesses, Mr. and Mrs. Edward La Motte, were not present for the occasion. A reception was held at the Grange Hall for approximately 85 guests. Music for dancing was played by the Ouradnik brothers on their accordions. The couple was presented with a purse of silver by their many friends.

Out of town guests attending were: Mrs. Joseph Ouradnik Sr., Mr. and Mrs. Clem Ouradnik, Mrs. Olga Westerlind, Mr. Glen Hornig, Mr. and Mrs. Peshek, Mrs. Thelma Erwin, Mr. and Mrs. Harry Lamkey, Mrs. Andy Tatro, Miss Gern Mellon and Mr. Konrad.

Powers-Spalding

Mrs. Napoleon LaBonte returned Friday from Leckrone, Pa., where she has been spending the past month visiting with her daughter and family Mr. and Mrs. John Sperko who are the parents of a daughter born Nov. 10. Mrs. Sperko is the former Valeria LaBonte.

Mr. and Mrs. Wade Gelene of Escanaba visited at the Douglas Gelene home during the past week.

Lt. Wayne Johnson is visiting his parents, Mr. and Mrs. Henry Johnson. He has been located at Kessler Air Force Base, Biloxi, Miss. and will be transferred to Pope Air Force Base, N. C.

Mr. and Mrs. Arthur Poquette from Detroit are visiting relatives and friends in the community.

Leonard Morreau of Detroit spent a few days with his parents Mr. and Mrs. Walter Morreau.

Fern Mellon of Pinecrest staff who injured her leg in a fall has returned to work.

Mr. and Mrs. Scot Buchann of

GIFTS FOR THE BIG BOYS—Nylon stockings, dyed red and filled with Christmas goodies, will brighten the coming holidays in Korea for soldiers relatives and friends of these two Ft. Worth, Tex., women. Mrs. Rody L. Ryon, and Mrs. Carl Mannes prepare the gifts for Mrs. Ryon's husband and 24 of his buddies.

Grand Rapids spent the weekend at the Leo Bowersox home.

Mr. and Mrs. W. H. Marland of Cleveland, Ohio, are visiting friends in Powers. While Mr. Marland joins a hunting club. They are celebrating their twenty-fifth wedding anniversary. Mrs. Marland was a patient at the sanatorium 25 years ago. During this period she met her husband while he was in this area on a hunting trip.

Mrs. Earl Burham of Detroit is spending a week's vacation with her sister, Yolanda Bouchard of the Sanatorium staff.

Diamonds have been found in the glacial drift of the Great Lakes region, particularly in Wisconsin.

Prefabricated Homes Are Nothing New

HANNIBAL, Mo. (AP) — This modern, pre-fabricated house business is really pretty old stuff. Way back in 1867 the firm of Gardner and Vose here was advertising "ready made cottages" and guaranteeing to have them ready for occupancy within a few days.

"They are the most paying investment to be found," the company said, "as they will readily rent anywhere at from \$12 to \$20 a month."

Among patents granted last year were one for a pocket-size type-writer and one for a special spaghetti fork with rotating prongs.

Lt. Edward Baker Weds Miss Chuba In Philadelphia

Lt. Edward C. Baker of Frankford Arsenal, Philadelphia, son of Mr. and Mrs. Roger C. Baker of Escanaba, claimed Miss Frances Louise Chuba as his bride in a double ring ceremony Nov. 14 at St. Leo's Roman Catholic Church in Philadelphia. The Rev. William J. P. Powers celebrated the 9 a. m. nuptial high mass at an altar adorned with palms and yellow chrysanthemums.

The bride, a daughter of Mr. and Mrs. Frank C. Chuba of Prosser Hollow, Johnstown, wore a gown of candlelight satin and Chantilly lace with a satin train. Her fingertip veil was caught to a helmet style headpiece of matching lace. A corsage of white rosebuds with white satin streamers was on the mother of pearl cover of her prayer book.

Aides In Blue

Peacock blue taffeta gowns, ankle length and blue velvet hats with tiny veils were worn by the bride's attendants. They carried colonial bouquets of tea roses, gardenia and yellow carnations. Mrs. Susan T. King was matron of honor and Miss Elinor Chuba of Johnstown was bridesmaid. The flower girl was Patricia Hallahan of Philadelphia. Her frock was blue taffeta and nylon net sprayed with rhinestones and her headpiece was the same shade. She carried a basket of tea roses, gardenia and yellow carnations. "Skipper" Hallahan carried the rings on a white satin pillow.

Lt. James Dieks of Haddonfield, N. J., was best man and Lt. Duane Pugh of Philadelphia ushered.

Mrs. Chuba wore a pink suit with black velvet accessories for her daughter's wedding. Mrs. Baker was in teal blue and her accessories were pink. Both mothers wore white orchid corsages.

A wedding breakfast was served at Smylies Supper Club, a spray of white chrysanthemums centering the table. The reception for 100 guests followed. The wedding cake was cut with a sabre presented to Lt. Baker by Colonel Kane, commanding officer of the Arsenal.

Honeymoon In East

The newlyweds who went to Wildwood By the Sea in New Jersey for their honeymoon will live in Philadelphia prior to Lt. Baker's overseas assignment with the Far East Command.

The bride, a 1949 graduate of Johnston Central Senior High School is employed at the Frankford Arsenal. Her husband is a graduate of Escanaba High School and of the Michigan College of Mining and Technology where he received his B. S. degree in metallurgical engineering.

Mrs. Roger Baker, Miss Mary Baker and Pvt. Gerald Baker who is stationed at Ft. Monmouth, N. J., attended the wedding.

Garden

GARDEN — The Homemakers Home Economic club met at the home of Mrs. Gerard Bernier Thursday evening. Mrs. Kenneth Ralph gave the Christmas lesson. Proceeds from the bake sale was divided between the members, each member to buy three toys for the orphanage. These toys will be gift wrapped and made ready to mail at the next meeting. Mrs. John Kunkel will be hostess.

**Charlene Winter
Becomes Bride Of
Manistique Man**

GARDEN — Miss Charlene Winter, daughter of Mr. and Mrs. LeRoy Winter of Garden, became the bride of Kenneth Bare, son of Mr. and Mrs. Lee Bare of Manistique, at St. John's church in Garden at 10 a. m., Wednesday, Nov. 18. The double ring ceremony was performed by Rev. Fr. Henkels, before an altar banked with fall mums. The traditional wedding march was played by Mrs. Walter Bassett.

Given In Marriage By Father

The bride, given in marriage by her father, was lovely in a ballerina length gown of white slipper satin, accented with a nylon net and satin tiered back bustle. The strapless bodice was covered with a short shoulder jacket of white satin. Her veil of illusion fell from a tier of lace, trimmed with seed pearls. The bride carried a white linen and lace handkerchief which belonged to her great aunt. Her arm bouquet was of white carnations from which cascaded streamers of white ribbon tied with feathered carnations.

The brides' only sister, Lynn Winter, was the maid of honor. She wore a gown fashioned with a yellow nylon net skirt and short sleeved lace top. Her head piece was fashioned of yellow velvet ribbon and net and sprinkled with seed pearls. She carried a bouquet of fall mums.

Timothy Roddy of Manistique, a friend of the bridegroom, served as best man.

The brides' mother wore a black faille suit with coral accessories and a corsage of fall mums. The bridegrooms' mother wore a navy

blue dress with white accessories and a corsage of fall mums. Immediately following the ceremony, a wedding breakfast was served to twenty guests at the home of the brides' parents. Table decorations were miniature bridal bouquets which graced each setting and which were fashioned by the brides' mother.

A reception for 150 guests was held at the Knights of Columbus hall in Manistique.

Will Live In San Francisco

The bride, a graduate of the Manistique High School, Class of 1953, was employed as a billing clerk with the Bigelow Rug Company in San Francisco, Calif. The bridegroom, also a graduate of the Manistique High School, is at present serving in the U. S. Air Force.

After a honeymoon to an undisclosed destination, the couple will make their home in San Francisco.

Out-of-town guests present were: Mr. and Mrs. Barney Turan and daughter Darla of Ensign, Mr. and Mrs. Dewey Saylor of Elsie, Mr. and Mrs. Earl Shick and Mr. and Mrs. Charles Mager of Fort Wayne, Ind., Mr. and Mrs. Jack Winkler of Freeport, Ill., Miss Doris Johnson of Thompson, Mr. and Mrs. Ray Saylor, Mr. and Mrs. Archie Stratton and Mrs. C. McDonald of Bannister, Mrs. Emma Winter and Mr. Carlton Genz of Oshkosh, Wis.

First newspaper publishing news regularly is said to have been a German publication which originated in 1609, according to the Encyclopedia Britannica.

Welding Errors Delay Testing On Oil Line

Testing of the Lakehead Pipeline company's new 30-inch crude oil line crossing Upper Michigan will be delayed two to three weeks while Midwest Constructors Inc., repair sections of the line found defective, J. W. Rich, Lakehead assistant foreman in the Manistiquette area, said today.

An error was made in directions given workmen, Rich said, and some welding on the pipe has not held up in tests. The pipe, he explained, has a high yield tensile strength, and it is impossible to heat and weld it parallel to the length of the pipe on the surface.

In lowering the pipe in difficult spots, this type of welding was used, Rich stated, and the pipeline was thus weakened. When the line was filled with water and oil under pressure, "blowouts" results, the foreman noted.

Part of the testing crew is remaining in the Manistiquette area to test as the repairs are made, and others are working on the scraper near Blaney Park, heading east to the site of the Gould City pumping station. The testing crews are working at various locations scattered from Crystal Falls to the Straits, Rich said.

"As far as we know, there are about six spots where repairs will be necessary to the line," Rich pointed out. Midwest Constructors Inc., officials arrived here late last week and are scheduled to begin the repairs this week.

Rich reported that most of the men needed for the work will be hired locally, and that about two operators and two or three welders will be from out-of-town.

Rich, who lives with his family at 212 Maple Ave., has been assigned here by the Lakehead company, as maintenance pusher-welder, an assistant foreman position.

Beginner's Band Will Play During Concert Tuesday

The Manistiquette public school beginner's band will play "America," "Evening Hymn," "Song of Peace" and "Abide With Me" when the three school bands presents their first concert of the school year here Tuesday night.

The concert, which will feature numbers played by the senior and junior bands as well as the beginners, will be given in the high school auditorium beginning at 8 p. m.

Numbers which the junior band will play, all by Bennett, are "Project March," "Chalima Waltz," "Ambition Overture" and "Activity March."

The "National Emblem" march by Bagley, Sousa's "Semper Fidelis" and Franck's "Panis Angelicus" are among 10 numbers which the senior band will play.

The bands are directed by Joseph L. Giovannini.

Tickets for the performance can be obtained from band students and at the door Tuesday night.

One cubic foot of solid coal weighs 81 1/4 pounds.

MANISTIQUE

Cash Benefits To Veterans In County Total \$13,000

New cash benefits obtained for veterans by the Schoolcraft County Council of Veterans Affairs during the months of June, July, August and September, totaled \$2,844.50 and the accrued cash value of benefits the Council has assisted veterans in obtaining now stands at \$13,137.50, the most recent report of the Council indicates.

The report, prepared by Donald E. Messier, veterans counselor, also shows that during the past 4-month period, arrangements were made for hospitalization for nine veterans. Six of these were treated at the VA hospital in Iron Mountain, two at Wood, Wis., and one at Dearborn, Mich.

During the past fiscal year, ending Oct. 1, a total of 30 veterans were assisted in obtaining hospitalization in VA institutions, the report indicates. These veterans received an approximate total of 630 days treatment.

Apply For Pensions
Average cost per day for hospitalization of these patients is computed at \$15, giving a total valuation of \$9,450 for treatment received by Schoolcraft County veterans. This is exclusive of a total of \$330 paid by the Veterans Administration for transportation to and from hospitals.

A total of 39 World War I veterans, 95 World War II veterans

and 47 Korean veterans were contacted by the Council in the past four months, as well as 57 next of kin of veterans. New veterans contacted totaled 22, the report shows.

The council in the past four months filed one application for a Michigan bonus, one for dependent children's pension, eight for service and non-service connected disabilities, one for mustering out pay for a veteran, one for combat pay for a veteran, two for 100 per cent disability pensions, two for dependency increases, one for dependent parents of a veteran, and two for partial disability pensions.

Get Combat Pay
A measure of the assistance needed by veterans is indicated by the Center's total of 638, contacts during the past fiscal year. The center wrote 316 letters for veterans and their next of kin, supplied 246 with necessary forms, aided 30 in receiving hospitalization and assisted 26 in filing for Homestead Tax exemptions.

Twenty-six veterans received Korean combat pay for a total of \$5200, or an average of \$200 per man, the center reports.

In addition, 14 veterans received mustering-out pay totaling \$3500, five next of kin of veterans received burial allowances totaling \$725, and five veterans were awarded total and permanent non-service connected disability pensions of \$63 per month, bringing the total in the county to \$3,780 yearly.

Next Of Kin Helped
Six veterans during the past fiscal year were awarded service-connected disability compensation in amounts varying from \$15.75 to \$47.25 per month, and the total income per year in the county from this compensation now is \$2,835.

Three veterans were awarded service-connected disability compensation increases in amounts which ranged from \$10.50 to \$31.50 monthly. Yearly income from these increases amounts to \$630, the report states.

Next of kin of four veterans received monthly pensions in amounts from \$35 to \$67.20 and the yearly income in the county from these pensions is now \$2,366.40.

Sixty-three veterans were assisted by the center in applying for treatment from local doctors. The veterans administration, the report notes, paid for the treatment as well as the medicines and drugs needed under the out-patient treatment plan. Estimated value of this program to the county is \$1,890.

During the past year, the report concludes, 54 veterans and their next of kin made application to the Michigan Veterans Trust Fund and the total amount expended in the past year from the fund here was \$1,388.01.

LYNX BAGGED—Two dogs joined forces in treeing this 23-pound Canadian lynx, held by Elmer Gregg of McCarron, Mich., who killed the animal near his home. The lynx apparently had been in a trap at one time because all but one of its toes on the right hind leg were missing. (AP Photo)

Obituary

JOHN LA MUTH
Funeral services for John LaMuth, who passed away Friday at Schoolcraft Memorial Hospital will be held at 9 a. m., Tuesday at the Oak Theatre. Burial will take place in Fairview cemetery.

Friends may now call at Messier-Broulliere Funeral Home.

NORMAN ARCHIE
Funeral services for Norman Archie, who passed away Wednesday at Schoolcraft Memorial Hospital, were held at 10 a. m., Saturday at Messier-Broulliere Funeral Home with the Rev. George Pernaski, assistant pastor of St. Francis de Sales Church, officiating.

Mrs. Scott Creighton was organist for the services.

Palbearers were Leroy Wood, Alexander Wood, Merrill Archie, William Bowman, Henry Archie, and Clyde Woodruff.

Burial took place in Fairview cemetery.

A talk by District Deputy Francis T. Rooney and a movie are included on the program. Lunch and refreshments will be served.

City Briefs

Visitors at the home of Mr. and Mrs. Dewey Minor last week were Rev. and Mrs. E. A. Cutler, Rev. E. E. Cutler and Lyle Gilroy of Dearborn, Rev. Raymond Cox of Milan, Mr. and Mrs. Herb Cutler of Battle Creek, Mr. and Mrs. Clement Van Thorpe of Spring Arbor and Mr. and Mrs. Sharon Smith of Jackson.

Adelore LaCroix Jr., has arrived from Detroit to spend a week hunting here and visiting his parents, Mr. and Mrs. Adelore LaCroix Sr., of Gulliver.

Kenneth Cook Jr., of Paw Paw and George Pedrolini, of Kalamazoo, left Friday for their homes after visiting here with Mr. Cook's

City Is Ready For Snow, Ice

No new equipment except a sandspreader, on which bids have already been taken, will be added to the city's snow removal facilities this year, Orson Livermore, acting city manager, said today.

The city has two trucks with blades, a grader, a V-plow, two one-way plows and a snow-go.

Stockpiling of 500 tons of sand and chloride at the city shop location has been started, and crews expected to finish the task today.

Equipment for snow removal and ice control here is in good shape, the manager reported, and the city is ready for inclement weather.

A hippopotamus normally stays under water three or four minutes.

grandmother, Mrs. Fern Cook, 135 S. Mackinac Ave.
Rev. and Mrs. Reg Clyde and family, Walnut St., left Sunday for Lansing to attend a two-day work meeting and to visit Dr. and Mrs. William Van Arsdale at Grand Rapids.

Mr. and Mrs. Charles Manson, of Owosso and Mr. and Mrs. George W. Francis, of Saginaw, have returned to their homes after visiting Mr. and Mrs. G. S. Johnson, Arbutus Ave.

With The Deer Hunters

Rain Friday sent many Lower Michigan and other out-of-town hunters scurrying home, according to the number of hunters who on the weekend drew their deer from locker plants in Manistiquette.

In a way, the rain was welcome, both because cold weather for the hunters followed it, and because departure of other hunters has again made available locker storage facilities here.

Last week, John McDonough reports, his locker plant was full, the fox farm on M-94 was loaded to capacity, and two distributors of beer and pop, Jack Williams and Bob Sleeper, opened their coolers to deer hunters. Warm weather make it imperative that the carcasses be placed in coolers promptly.

Manistiquette took good care of its out-of-town hunters," McDonough notes. The Thompson Fish Hatchery had volunteered to help the hunters, if more deer had arrived, McDonough added.

John Perry Dies Suddenly Saturday At Germfask Home

John Perry, aged resident of Germfask, died suddenly Saturday afternoon at his home.

The body was removed to Messier-Broulliere Funeral Home, where funeral arrangements were to be completed today.

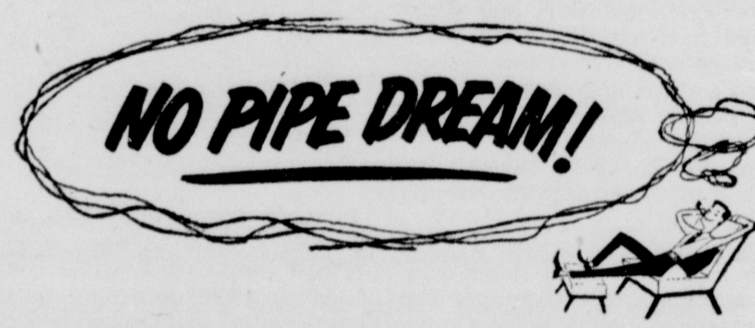

The Germfask resident was a woodsman.

Kidney Slow-Down May Bring Restless Nights

When kidney function slows down, many folks complain of nagging backache, headache, dizziness and loss of pep and energy. Don't suffer restless nights with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles kidney tubes and filters flush out waste. Get Doan's Pills today!

ORDINANCE NO. 270
AN ORDINANCE TO APPROVE AND ADOPT A DETAILED AND PRECISE PLAT OF A 1/2 AC. BOUNDED BY LAKE SHORE DRIVE, EIGHTEENTH AVENUE SOUTH AND TWENTY-THIRD STREET SOUTH, AND TO PRESCRIBE REGULATIONS RESTRICTING THE ERECTION OF BUILDINGS OR STRUCTURES WITHIN THE AREA OF SAID PLAT, AND TO OTHERWISE LIMIT THE USE OF LAND THEREIN.

The City of Escanaba Ordains:

CHAPTER I

Section 101. The City Planning Commission of the City of Escanaba, having made and certified to the City Council of the City of Escanaba a detailed and precise plat of the area bounded by Lake Shore Drive, Eighteenth Avenue South and Twenty-third Street South, pursuant to the provisions of Act 222, Public Acts of 1943, and said plat having been found to have been lawfully made and adopted by said City Planning Commission, and that said plat complies with the provisions of said Act 222, it is hereby determined that said plat and the same is hereby approved and adopted as so certified.

CHAPTER II

Section 201. The lands and premises within the proposed outside lines of said plat are described as follows: The area enclosed with Lake Shore Drive, Eighteenth Avenue South and Twenty-third Street South.

CHAPTER III

Section 301. The estimated time period within which the land acquisitions for public use indicated on said certified plat should be accomplished is hereby determined to be ten years from and after the effective date of this ordinance.

CHAPTER IV

Section 401. On and after the effective date of this ordinance no permit shall be issued for, and no building or structure or part thereof shall be erected on any land located within the proposed future outside lines of any new, extended or widened street, avenue, place or other public way, or of any park, playground or other public grounds or extension thereof shown on said certified and adopted plat, provided however, that the Zoning Board of Appeals of the City of Escanaba shall have power on appeal filed with it by the owner of such land to authorize the granting of a permit for the erection of a building or structure, or part thereof, within the lines of any such mapped street, park, playground, or other public ground in any case in which such board finds, upon the evidence and arguments presented to it on such appeal, (a) that the entire property of the appellant located as a whole, or in part, within the lines of said mapped street, park, playground, or other public ground cannot yield a reasonable return to the owner unless such permit be granted, and (b) that, balancing the interest of the municipality in preserving the integrity of the adopted map, and the interest of the owner of the property in the use and benefits of his property, the granting of such permit is required by consideration of justice and equity.

CHAPTER V

Section 501. Any violation of this ordinance shall be deemed a misdemeanor, and any person violating any of the provisions hereof shall, upon conviction thereof, be punished by a fine not exceeding \$500.00, or by imprisonment in the county jail not exceeding 90 days, or by both such fine and imprisonment in the discretion of the court.

CHAPTER VI

Section 601. This ordinance shall be in full force and effect ten days after its passage and publication.

Approved: ROBERT F. LEMIRE, Mayor.

NOTICE OF PUBLIC HEARING
Please take notice that the City Council will meet in regular session in the council chambers in the city hall in Escanaba, Michigan, on the 17th day of December, 1953, at 8:00 P. M., and will consider and hear objections of any person or persons deeming himself aggrieved by the passage of the aforesaid ordinance.

GEORGE M. HARVEY, City Clerk.

11667-Nov. 23, 1953

NOTICE
TAKE NOTICE that by virtue of a chattel mortgage entered into by you on the 24th day of March, 1953, upon which default has been made, the undersigned, on the 3rd day of October, 1953, took possession of the property therein mentioned and will sell the same described property as follows, to-wit:

DESCRIPTION OF PROPERTY
1951 Hudson Pacemaker 2-Door, Serial No. 4A 3089, Motor No. 4A 3089

at public sale at 9th Corner of Ludington St. and 9th St. in the city of Escanaba, County of Delta, and State of Michigan, on the 14th day of December, 1953, at 10 o'clock in the forenoon of that day.

Dated at Escanaba, Michigan, this 20th day of November, 1953.

THE FIRST NATIONAL BANK OF ESCANABA, ESCANABA, MICHIGAN

By William C. Servant, Field Representative.

11666-Nov. 23, Dec. 7

CARD OF THANKS

Our heartfelt thanks are extended to all our friends and neighbors for their many kindnesses shown us during the illness and at the time of the death of our beloved husband and father. We are very grateful to those who served as pallbearers, sent floral and spiritual bouquets, to those who contributed cars and to all others who aided us in so many ways. Your kindly deeds will never be forgotten.

Signed: Mrs. Joseph Fraddo and Family. A1230-327-1f

We wish to express our sincere appreciation and thanks to all the kind neighbors and friends who assisted us at the time of the death of our beloved wife and mother. Especially do we wish to thank those who sent flowers, those who served as pallbearers, Rev. John Larson for his comforting words and all others for their tokens of sympathy.

Signed: John Boerschinger and Family. A1229-327-1f

We extend our sincere thanks and appreciation to relatives, friends and neighbors for their kindness and sympathy shown us in the illness and death of our beloved husband and father, Allen Tweedy. Especially do we thank the Rev. Johannes Ringstad for his comforting words, the Men's Club, and those who sang and the many who sent beautiful floral offerings.

Signed: Wife and Children. A1241-327-1f

Height And Experience Fail St. Joe Trojans

The Escanaba Eskymos overcame a height and experience disadvantage Saturday night to turn back an invading St. Joe Trojan quint 41-32.

Coach Burt Gustafson's Esky cagers grabbed an early lead in the opening minutes of the game and were headed only twice in the contest which opened the season for both teams.

In downing the defending Upper Peninsula Class C champions Escanaba surprised most of the capacity crowd of fans. St. Joe entered the game a decided favorite on the basis of returning veterans and superior height.

Eskymos More Accurate
Coach Tom St. Germain's Trojans were unable to match Escanaba in accuracy from the floor or the free throw line. They hit only 12 field goals for the night and connected on eight of 27 shots from the free throw line. Escanaba dropped in 16 field goals and nine of 20 free throws.

A pair of buckets by forward Jim Finn and center Jim Bolm and free throws by Tom Gregoire and Finn gave the Eskymos a 6-5 edge in the first period. Trojan center Dick Bryson made two baskets and forward John Berrigan dropped in one free throw for St. Joe.

Guard Jerry McDonough pulled the Trojans back into the game in the second period with three field goals and the teams took the halftime rest tied 16-16.

Shortly before the half, forward Dick Cass flipped in a one-hand push shot to give the Trojans the lead, 16-15, for the first time in the game. A free throw by Esky guard Pat McDonough tied it up just before the half ended.

The Eskymos pulled steadily away in the third period in which they outscored St. Joe 11-6. Gregoire set the pace with a pair of field goals. Cass scored all six points for the Trojans in the third period.

A pair of reserves, Bill Savard and John Dulek, clinched the victory for Escanaba in the final period. They scored nine points between them while McDonough, Bolm and Beck contributed five.

One player from each team was lost on personal fouls in the fourth quarter. Jim Zimmerman of St. Joe went out with 2:15 left and Gregoire drew his fifth personal foul with 1:30 remaining in the game.

Cass High Point Man

With a minute and a half left in the game, Escanaba had a 36-32 lead. From there on in the Trojans were unable to score while the Eskymos added four points to their total.

The Trojans salvaged high point honors for the night with Cass scoring 14. Seven Eskymos joined in their winning effort on the scoreboard with Bolm's nine points setting the pace. McDonough also had nine for St. Joe.

Escanaba made a clean sweep of it by winning the Bee team preliminary 43-41. The Eskymo reserves overcame a 21-18 half-time deficit.

Escanaba returns to action next Saturday night at Marinette. St. Joe entertains Bark River Wednesday evening.

Munn Praises Marquette Team

By ROBERT E. VOGES

EAST LANSING (AP)—Michigan State Coach Biggie Munn wasn't too busy receiving congratulations for his Rose Bowl bid to say some kind words about the Marquette team he beat Saturday.

"They were a great team," said Munn after the 21-15 victory that certainly must have influenced the selection of the Spartans for the Bowl game.

"I don't think anyone realized how good they really were," Munn said. "They certainly gave us a hard time, and you know we beat them by the biggest margin they've lost by this season."

The crowd of 42,170 thought Michigan State was off to the races when the Spartans scored against Marquette on their second play of the afternoon.

Quarterback Tom Yewcic threw a screen pass to his roommate, fullback Evan Slonec, and Slonec romped 35 yards to score.

It was 14-0 at the end of the first period as Johnny Matsock dodged 48 yards through the Marquette defense for another touchdown.

Marquette picked up two points on a safety when Yewcic was trapped behind his goal line trying to pass and scored again on a throw from Dick Shockey to Tom Braatz that carried 11 yards.

Another scoring pass from Shockey to George Breh put Marquette in a brief 15-14 lead in the third quarter.

But Flint's Leroy Bolden, MSC's clutch carrier all season, butted his way in from 10 yards out for the winning touchdown.

NCAA Cross-Country Run Scheduled Today

EAST LANSING (AP)—Rich Ferguson, Iowa's Big Ten champion, and Wes Santee of Kansas are expected to lead the pack today in the 15th annual NCAA cross-country run.

A field of slightly more than 100 runners—one of the smallest in recent years—will be trying to break the individual record of 19:36.7 for the four-mile run set last year by Charlie Capozzoli of Georgetown.

Michigan State is the defending team champion.

Huge Center To Lead Globetrotters Quint

MANISTIQUE—A 6'7" center, Oris Hill of Cairo, Ill., is among eight men on the Harlem Globetrotters team scheduled to play here Nov. 29 in a feature game against former Manistique All Stars.

Other men in the line-up will be Cam Wheeler, 5' 11½", from Little Rock, Ark.; Jesse Coffey, 6' 3½", from San Diego, Calif.; Boid Buie, 6' 1", of Pine Bluff, Ark.; Willie Wilson, 6', of Statesville, N. C.; Charles Holton, 6' 2", of Milwaukee, Wis.; William "Pop" Gates, 6' 2", of New York City, and Joel McRae, 6' 1", of La Grange, Ill.

Members of the 1953 Class B championship squad from Manistique High School expected to see action with the Manistique Merchants in the clash with the Globetrotters, will be the following:

Bob McNamara, Warren Wilson, Paul Hinkson, Gary Richards and Ray Cummings.

Other men who will be in action on the hardwood for the Merchants will be George Danko, George Hough, George Bouschor, Sonny Lowery and Jack Wilson.

The Globetrotter game begins at 8 p. m., and a preliminary game at 7 will see Garden and Cooks clash.

Cleveland Can Clinch Division Championship By Beating Cardinals

By ORLO ROBERTSON

NEW YORK (AP)—Cleveland's unbeaten Browns, winner of nine games, can clinch the Eastern Conference title Sunday for their fifth divisional championship in the National Football League but the Western Conference race could well go down to the final day of the season Dec. 13.

The Browns moved within one victory of the title Sunday by edging the Pittsburgh Steelers 20-16 and there's nothing in the books to indicate they won't chalk up No. 10 at the expense of the winless Chicago Cardinals next Sunday.

Detroit's Lions still held to a half-game lead over the Los Angeles Rams in the Western Division after beating the Chicago Bears 20-16. The Rams stayed within striking distance with a 21-13 win over the Baltimore Colts. And the San Francisco 49ers remained on a game off the lead after downing the Green Bay Packers 37-7.

Easy Games Coming

All three face what figures to be comparatively easy opposition this week. The Lions take on the Packers Thursday while the Rams meet the Chicago Bears and the 49ers tangle with the Colts at Baltimore Sunday.

Washington defeated the New York Giants 24-21 in the only game Sunday that had no bearing on the upper strata of the standings. On Saturday night the high scoring Philadelphia Eagles won their sixth straight to retain a mathematical chance of catching the

Committee Meets Today On Ineligibility Rule

LANSING (AP)—The case of 10 Michigan high school lads who lost their athletic eligibility for accepting merchandise awards returns to the spotlight today.

An 18-man committee of educators, laymen and legislators holds its second conference with Dr. Clair L. Taylor, state superintendent of public instruction, who organized it to review the controversial "awards" rule under which the youths were suspended.

The committee has recommended that the penalty provision be weakened, requiring suspension from one term to one year, rather than the present mandatory one-year suspension.

Review New Rule

Dr. Taylor called the group back today to have it review the proposed new rule after it had been "edited" by his staff.

If he accepts it, it must be approved by the attorney general

and governor before it becomes effective.

Dr. Taylor has promised that he would apply any new rule to the case of the 10 youths, center of the biggest high school athletic rumpus in many years.

The old rule was suspended by a legislative committee on the grounds that it was harsh and arbitrary.

One Man Resigned

The committee, originally composed of 17 men until one resigned in protest against failure to reinstate the boys, was expanded by Dr. Taylor to include two legislators who sat on the legislative committee.

These are Sen. Edward Hutchinson R-Fennville and Rep. Harry J. Phillips R-Port Huron.

The boys penalized include six from Hastings, two from Escanaba, one from Menominee and one from St. Clair.

Gladstone Braves To Play Alumni Tuesday

GLADSTONE—Coach Eldon R. Keil's current Gladstone High School basketball team gets its baptism under fire Tuesday evening when it takes on a highly-prowided alumni five at the school gym.

Leading the opposition will be big Phil Creten, star center of the 1950 U. P. champs, now 6-6 and with college experience and Cliff Gillis, member of the 1948 team and one of Gladstone High's all-time greats. Then there will be Norbert Butler, Jim LaLonde, Tom Moreau, Lawrence Young, Anthony Marmilick and Robert Young.

Coach Keil will start John Quinn at center, Capt. Dick Switzer and Dick Goodman at forwards and Duane Peterson and either Jack Beach or Robert Sandstrom at guards. In reserve will be Larry Feldt, Norman Butler, J. C. Miller and Roger Carlson.

While too early to make predictions, the team has looked good in practice, even though they lack height and should they develop as expected will be a hard-to-beat club before many games.

The B team of Don Pfotenbauer will play in a preliminary against the seniors at 7 with the main game at 8:30.

On the B team are Jeri Anderson, Dennis Artley, Jerry Leander, Jib Bratonia, Tom Brewer, Jim Sundalius, Walter Houghton, Charles Cole, Leland Louis, Elwood Erickson, Charles Lancerte, Dale Willis, Gerald Tang and Ger-

Wolves Pull Upset Against Ohio State

By JOHN F. MAYHEW
ANN ARBOR (AP)—Michigan, which sandwiched a mediocre football season between two impressive performances, took a special delight today in its 20-0 windup victory over Ohio State Saturday.

There is little football satisfaction like a resounding upset, at least for the winner. And Coach Bennie Oosterbaan and his players were taking a full measure of satisfaction from the unexpected finish.

After losing three straight conference games—most Michigan league losses since 1937—the Wolverines came up with a great performance. Despite a fifth place finish in a tie with Iowa, lowest since 1939 for a Michigan team, it was a sweet finish.

Odds Against Them
With odds against them, the Wolverines rocked Ohio, which had averaged 22.8 points a game in six league contests.

Halfback Tony Branoff, who had been bottled up in recent

games, burst out to lead a powerful ground game that netted 285 yards. Of that, Branoff gained 113 in 17 tries.

Actually, much of the credit went to Michigan's line, which beat Ohio to the punch at every turn.

First, the Wolverines marched 60 yards for a second period touchdown in 13 plays, sending fullback Dick Balzhiser over from the one. Quarterback Lou Baldacci converted.

Steal Five Passes

Then they capitalized on Ohio mistakes to add two more touchdowns, the first just three minutes, 17 seconds after the opening score.

Ohio made 107 yards in the air, far better than Michigan's 19, but it was in the air that the Buckeyes had the most trouble. The Wolverine defense picked off five passes, demoralizing the Ohio offense.

Through three periods of play, Ohio never reached the Michigan 20 yard line.

Bowl Picture Clearing Up For New Year's Day

By ED CORRIGAN

NEW YORK (AP)—The fog—not the same one that has been plaguing the East for the past week—was beginning to lift today on the confused bowl picture. The Rose Bowl and Orange Bowl promoters were just about out of it.

Still fogbound, however, were the Cotton Bowl and Sugar Bowl chieftains. They have plenty of teams from which to make their selections, but they didn't have the faintest notion of how to go about trimming the list of eligibles.

And while the promoters were scratching their heads, the coaches and players had plenty of mull over in the wake of Notre Dame's 14-14 tie with Iowa. There was no question that the Hawkeyes knocked the cloak of invincibility off the Irish. That everyone agreed.

Timely Time-Outs

But what of Notre Dame's tactics—or to use a better word, dramatics—that all but saved Frank Leahy's boys from defeat? First it was Frank Varichione, who caused an "injured player" time-out with one second to go in the first half and the Irish behind. They promptly tied it. Then Art Huster and Don Penza did the same thing with six seconds in the game left and the Irish trailing. Again they tied it.

Remember the post-season discussions about Notre Dame's "sucker shift" of last year, and its eventual demise by the rules committee? This one ought to cause even more postmortems.

Apparently, after a number of ballots failed to break the tie one representative switched his vote from Illinois to Michigan State and ended the deadlock. There were reports that at least six ballots were taken before Michigan State was named.

Wilson declined to divulge the final vote.

First Vote Tied

The first vote ended in a 5-5 deadlock, so Commissioner Ted Wilson called the faculty representatives to Chicago to discuss it and Michigan State, a freshman

Spartans To Represent Big Ten In Rose Bowl

By TOM BRANAGAN
CHICAGO (AP)—Michigan State emerged Sunday from a flurry of weekend telephone calls, telegrams, secret meetings and repeated balloting as the Big Ten choice for the Rose Bowl.

The Spartan opponent in the annual Jan. 1 classic at Pasadena will be UCLA, the Pacific Coast Conference champion which will be formally appointed today.

Big Ten athletic directors chose Michigan State over Illinois, a team the Spartans tied for the conference championship at five victories and one loss each.

Called To Meeting
Commissioner Kenneth L. (Tug) Wilson took the first sounding of sentiment Saturday night by telephone and telegram. Several such ballots were deadlocked, five for Michigan State, five for Illinois.

Despairing of reaching a decision by long distance, Wilson summoned the various chiefs to Chicago for a Sunday meeting, which lasted about 12 hours. Reporters were advised that it was going on but Wilson wouldn't tell them just where.

Finally, reportedly on the sixth ballot, one director previously favoring Illinois switched to Michigan State. The 6-4 vote was all that the Spartans needed.

Crisler Stayed Home
Athletic directors from Illinois

and Michigan State, by mutual consent, absented themselves from Chicago meeting. Also absent—but accounted for—was Michigan's Fritz Crisler, who sat in by phone from Detroit. Crisler had intended to fly to the meeting but bad weather grounded his plane.

Michigan State, rated third in the country, had a slightly better record than Illinois—eight victories and one loss (6-0 to Purdue) against the Illini's seven wins, one loss (3-4 to Wisconsin) and one tie (21-21 by Nebraska).

However, some directors apparently voted against the Spartans because of their current probationary status for certain recruiting practices and because of their first-year standing in the Big Ten.

An item thought to have worked against Illinois, in addition to its overall record, was the fact that the Illini had made two previous trips to the Rose Bowl—in 1947 and 1952.

Eighth Bowl Game
Michigan State, which accepted the nomination immediately, was overjoyed. Coach Biggie Munn, who in seven years has raised the East Lansing school to a premier position nationally, said it was "great... wonderful" and President John A. Hannah said he was "greatly pleased." The Spartans campus erupted in a huge celebration.

Illinois took the disappointment quietly. Athletic Director Doug Mills said he had no comment.

Michigan State will be making the eighth Pasadena appearance for the Big Ten in the current agreement with the Pacific Coast Conference. Big Ten teams won the first six games but Wisconsin, which won the nomination in a similar ballot test with co-champion Purdue last year, lost the '53 bowl game to Southern California.

Navy's Mascot Goat Kidnapped By Army

ANNAPOLIS, Md. (AP)—Navy awaited a ransom note today, confident Army would return the Middles' kidnapped goat before the Army-Navy football game.

Bill XII, Navy's blue-gray mascot, was smuggled out of his shed in Thompson Stadium by unidentified parties during the early, fog-shrouded hours of Sunday morning.

Sunday night, Naval Academy officials said they had been informed Billy had been unveiled at the evening meal formation at West Point.

First the Navy knew the goat was gone was about 4 a. m. Sunday when an anonymous "female" called and asked if Billy was in his shed.

A guard dispatched to check found the goat gone. He also found

two empty cans of chloroform and a rag smelling strongly of the anesthetic on the ground nearby.

At first academy spokesmen would comment no further. Then, they said they had been informed officially that Billy was way up on the Hudson instead of safe in his home on the Severn.

A sharp finger of suspicion was pointed at the Army soccer team which left here at noon Sunday after beating the Middles 2-1 Saturday.

The goat didn't leave with the Cadet soccer team but Navy spokesmen feel the conspiracy was there.

Lt. Cmdr. Walter Ellis, public information officer, made reference to the "Limburg (cheese) law," and said "we expect Billy back."

New Pro Cage Rule Fails To Do Job

(By The Associated Press)
The trial rule designed by the National Football Association to reduce fouling and roughness apparently isn't the answer to the pro game's problem.

It went into effect last Saturday for a week's trial. Under the rule the team whose player is charged with his third and thereafter fouls in either the third or fourth periods automatically loses possession of the ball after the shot. The rule does not apply in either of the first two periods.

In four games played last Thursday and Friday nights, before the adoption of the new regulation, there were a total of 210 personal fouls called. Saturday night, with the rule in effect, there were the same number in four games, and Sunday night 173 were called in three games.

Pan-American Road Race Enters Final Lap Today

MEXICO CITY (AP)—Drivers in Mexico's fastest Pan-American automobile road race entered the final lap today, from Chihuahua to Ciudad Juarez, with only one leader in the four divisions holding a big lead.

Only 64 of the original 177 starters started down the home stretch. The 1,912-mile race got underway last Thursday near the Guatemalan border.

Hans Hartman, German champion driving a Borgward, carried a 19-minute margin over his nearest competitor, Jaroslav Juhan of Guatemala, into the final 222.5 miles.

Too Over Lead
Hartman trailed Juhan entering

the Durango-Parral and Parral-Chihuahua laps by a scant minute Sunday but arrived first in both of them to take the lead in the small sports class.

Leaders in the other three divisions managed to stay on top but all lost some ground.

Chuck Stevenson of Milwaukee, driving a Lincoln, watched teammate Walt Faulkner, Long Beach, Calif., whittle his seven-minute advantage down to less than four in the large stock car class.

In the big sports car class Italy's Piero Taruffi narrowed the lead of Argentina's Manuel Fangio from ten minutes to less than nine. Both drive Lancias, as does Eugenio Castellotti, who stands third place, seven minutes behind Taruffi.

No Accidents Sunday
The first place margin of C. D. Evans, El Paso, Tex., was trimmed from seven minutes to six in the small stock car division by Norman Patterson, a fellow El Paso driver. Evans is driving a Chevrolet, Patterson a Ford.

No accidents were reported during Sunday's laps, for the first perfect day since the grueling test began. To date seven persons—three drivers and four spectators—have been killed.

GLADSTONE

Cancer Society Head Is Chosen

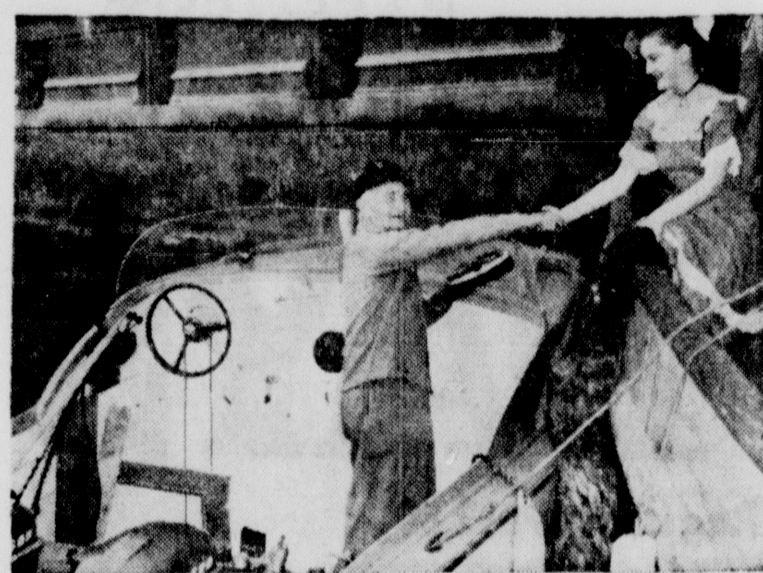

Miss Jean Miller of Gladstone has been named as chairman of the Delta County United of the American Cancer Society, it was announced recently, succeeding Mrs. A. M. Gilbert to the office. Miss Miller previously had served for some time as Gladstone chairman.

Mrs. Herb Lundmark has been chosen to serve as Gladstone chairman.

A number of mediums are available to acquaint public or individuals of the work of the society against the dread disease. Among them are panel discussions, speakers, films and pamphlets.

Persons wishing speakers or who would like the films shown, either for a public gathering or in private may contact Miss Miller. Area chairmen announced Saturday by the chairman follow:

Ford River Township — Mrs. Chester Peak.
Bark River Township — Mrs. Ray Teal.
Cornell Township — Mrs. Joseph Steff.
Maple Ridge Township — Mrs. Walter Manntie.
Brampton — Baldwin — Mrs. Clayton Norden.
Masonville — Mrs. William Noreus.
Wells — Mrs. O. H. Wells.
Escanaba — Mrs. Ed Marenger.
Nahma — Mrs. Henry Sargent.
Ensign — Bay de Noc — Mrs. Henning Johnson.
Garden — Victor Borga.
Rapid River Village — Mrs. Oliver Lund.

OFF FOR FLORIDA—Seventy-five-year-old Spanish American veteran; Capt. Harvey Hecker, receives package of cookies from Laura Wallace, 14, as he starts from Chicago on trip to Florida in his home-made 18-foot boat. No novice now, Hecker completed his first trip, a 4500-mile trip in a 15-footer last year. (NEA Telephoto)

With The Deer Hunters

Rev. C. V. S. Engstrom, former pastor of the Mission Covenant church in Gladstone, left Saturday for his home in Inkster, Mich., after a successful hunting trip in the vicinity of Ensign. He got a nice spike buck. Rev. Engstrom and Mrs. Engstrom, who accompanied him on the trip, were guests of the Carl Johnsons.

Gordon Haga killed a big buck weighing 185 pounds and having a 10 point set of horns while hunting at Stonington Wednesday.

CARD OF THANKS
I wish to thank my many friends for the cards and flowers sent me while a patient at St. Francis Hospital, the hospital staff for the wonderful care I received, the city employees for their lovely gift, the ambulance service and person who graciously gave Mrs. Moran rides to the hospital. I will long remember these kindnesses.

Signed:
Mr. Fred Moran

Debaters Win One At Norway

Gladstone High School debaters participated in a series of practice debates at Norway High on Saturday.

Varsity debaters competed twice during the day while each of the reserve teams argued once.

Only one victory was scored by the local team, Jim Keldsen and Quinn Rasmussen, negative duo, splitting even.

The affirmative varsity team is composed of Johan and Franklin Lash, while reserve pairs are Kay Bolger and James Schram, Karen Kliner and Mary Miron, Joanne Peterson and Margaret Herzog and Joanne Morgan and Frances Anderson.

Schools participating were Gladstone, Menominee, Escanaba, Manistique, Norway, Iron Mountain, Kingsford, Felch and Vulcan.

SOAKING THEFT
GOLDSBORO, N. C. (AP)—When thieves looted the office of the Goldsboro Transportation Co., they employed a new method of destroying evidence.

They used a hose to soak everything in the office.

CARD OF THANKS
We wish to express our sincere thanks to neighbors, friends and relatives for the assistance and sympathy tendered us at the time of our recent bereavement, the death of our beloved sister, and aunt, Miss Bernice Swan.

Especially are we grateful to those who sent flowers, donated cars for the services, Elder Rex Stowe, for his consoling words, and to Noble Swenson, soloist, and Mrs. Howard Sunblad, organist, and to all others who by word or deed assisted us at this time. The memory of these acts always will remain with us.

Signed:
The family of Bernice Swan

Over 600,000 Michigan families face hospital bills this year!

Blue Cross - Blue Shield pay more for more hospital and medical services... for more people!

ONE IN EVERY THREE FAMILIES WILL FACE A HOSPITAL BILL WITHIN THE YEAR!

ARE YOU PROTECTED?

Why risk the savings of a lifetime... why risk incurring debts that may take years to pay off... when Blue Cross - Blue Shield protection is so easy to get and so easy to pay for.

No other health-care protection gives you so much for what you pay as Michigan's Blue Cross - Blue Shield. These plans give you more because they are a non-profit public service. Every penny above normal business expense goes back to subscribers in the form of benefits.

In the 14 years since Michigan hospitals and doctors started these non-profit plans, Michigan Blue Cross - Blue Shield have paid out over 300 million dollars in subscribers' benefits. With over 3 million members Blue Cross - Blue Shield is Michigan's most widely used health-care protection.

BLUE CROSS-BLUE SHIELD
is now more important than ever before!

What BLUE CROSS Does:
Blue Cross Comprehensive Group Hospital Plan covers a wide range of hospital services, for up to 120 days, in any one of over 200 participating hospitals.

What BLUE SHIELD Does:
Blue Shield Medical-Surgical Plan pays generous amounts to your doctor for thousands of listed medical-surgical procedures.

PROTECTION WITHOUT PROBLEMS!
There's no red tape! Simply show your identification card to your doctor or hospital admitting clerk. Needed benefits are taken care of automatically!

How to Get BLUE CROSS-BLUE SHIELD:
Ask your employer. Check your Farm Bureau. Write or call your nearest Blue Cross - Blue Shield office.

The hospitals' and doctors' own non-profit health-care plans for the welfare of the public...
